Iron Curtain To Stay Down Forger Admits Placing Bomb On Plane

44, Including Mother, Died In UAL Crash

Invalid Insurance Policy Taken Out On Parent By "Playboy"

DENVER, Nov. 14 (AP)—Rigging of a dynamite bomb that blew up a United Air Lines plane, killing his mother and 43 others, was admitted today by a 23-year-old Denver forger.

U. S. Atty. Donald E. Kelley said John Gilbert Graham, construction and restaurant worker—termed a playboy by probation officers—had signed a "written admission."

Graham waived a hearing on a "peacetime sabotage" charge and was jailed when he was unable to supply \$10,000 bond.

The sabotage charge carries a maximum penalty of 10 years in prison and \$10,000 fine.

Kelley met with state prosecutors to consider whether the slim, youthful appearing defendant should be turned over to them for prosecution on murder charges, punishable by death in Colorado.

Insurance Policy Invalid

A decision on further prosecution will be reached within 48 hours, Kelley indicated.

"One element in breaking the case," Kelley said, was an air flight insurance policy for \$37,500 on Graham's mother, Mrs. Daisy King.

FBI agents, who arrested Graham, reported he took out the policy at the Denver Airport shortly before she boarded the ill-fated plane for Alaska. Ironically, the policy was invalid because the mother had not signed it.

The DC6B plane blew up near Longmont, Colo., 11 minutes after leaving the airport Nov. 1. Sabotage was suspected—immediately as witnesses reported the craft exploded in flight.

Wreckage Strew Two Miles

Wreckage and bodies were scattered for nearly two miles over a sugar beet field.

The federal complaint filed by the FBI accused Graham of placing aboard the plane "a number of sticks of dynamite attached to a battery with timing mechanism in the form of a bomb."

The Rocky Mountain News said it learned the dynamite bomb was carried aboard the plane by Mrs. King in her luggage.

Kelley told newsmen after the arraignment, "I don't know whether you're aware Graham has admitted placing the device which caused the explosion on the plane."

Graham, who is married and has two children, Allan, 2, and Susan, nine months, had been working with his mother in operating a drive-in restaurant in Denver.

More Salk Vaccine Slated For Clearance

WASHINGTON, Nov. 14 (AP)—Welfare Department officials said today they expected a "substantial" amount of Salk antipolio vaccine to be cleared for use this month and next.

No vaccine has been released since Oct. 14, when 1,113,930 cubic centimeters were cleared by the U. S. Public Health Service. A cubic centimeter represents one "shot" of the preventive vaccine.

"By January or February we would expect production to again reach a fairly smooth flow, but at what level we cannot say," the department officials reported.

Plumbing Contractor Kills Wife, Three Children, Self

MILWAUKEE, Nov. 14 (AP)—A urban Shorewood, where the family lived in a palatial home, called it murder and suicide.

Dead were Elmore A. Bucketthal, 41, a Milwaukee plumbing contractor; his wife, Mildred, 40, and their children, Bonnie Lynn, 12, Cynthia, 10, and Thomas, 8.

Bartels said the evidence indicated that Bucketthal had gone to his plumbing shop late last night, piled up business records—ledgers and other papers in the basement, saturated them with gasoline and set them on fire.

Then, Bartels theorized, Bucketthal drove home early today, carried a case of motor oil into the house and after shooting his wife and children, poured oil over their bodies, ignited it, and killed himself with an automatic pistol.

The bodies of the five persons were found in their second floor bedrooms by police who went to the home to check into the incendiary aspects of the plumbing shop.

Airliner Saboteur

John Gilbert Graham, 23, is shown as he returned to jail in Denver yesterday after appearing before a U. S. commissioner on charges of sabotaging a United Air Lines plane which crashed killing his mother and 43 other persons. Graham admitted planting a dynamite bomb aboard the airliner. (AP Photofax)

CGT Defies New Argentine Chief

Union Calls Strike; Papers Seized

BUENOS AIRES, Nov. 14 (AP)—Argentina's new government shunted troops and tanks to strategic positions in Buenos Aires tonight and braced against a strike threat by the giant General Confederation of Labor (CGT).

The CGT openly defied the day-old regime of Maj. Gen. Pedro Aramburu. It threw down the gauntlet by calling for a nationwide walkout at midnight.

The government announced strike inciters would be jailed. The outcome could smash the labor organization or shake the foundation of the new revolutionary regime.

The strike call was issued after the government seized the CGT's two newspapers, first El Lider and then La Prensa, once a famed independent. The labor organization has published La Prensa since 1951 when ex-dictator Juan D. Peron confiscated it from its owner, Alberto Gainza Paz.

The CGT was long a backbone of Peron's political strength, but recent internal strife between Peronista and anti-Peronista leaders has cost the organization much of its effectiveness.

With sporadic strikes and labor disturbances already underway, the government prepared to take a strong hand against the unions. Aramburu hurried to Government House for a conference with a group of his top army supporters and a broadcast communiqué warned that strike inciters would be jailed and brought to justice.

Informants said Andres Farmino and Luis Natalini, the CGT's two secretaries general, were arrested earlier today.

Clashes between soldiers and strikers were reported in Rosario, Argentina's second largest city 250 miles northwest of Buenos Aires.

Disputes from there said meatpacking and textile plants were closed by walkouts and army units were called out to disperse demonstrators. Public transportation was interrupted by the strikers, but was resumed under joint army-police guard.

The crisis loomed almost immediately after Aramburu replaced former Provisional President Eduardo Lonardi in a bloodless coup Sunday.

Private funeral services—with date and hour kept secret—were announced today by a Springfield undertaker.

Name Goes With Job

Churchill Back Home

LONDON, Nov. 14 (AP)—Sir Winston Churchill flew back to London from his two-month Riviera vacation today looking happy to be home.

The twin-engine transport crashed about 10 miles southwest of the naval facility shortly after takeoff.

Supreme Court Defers Ruling On Interracial Marriage

WASHINGTON, Nov. 14 (AP)—The Supreme Court today doomed an Oklahoma law requiring Negro candidates for public office to be identified as such, but put off ruling on state bans on interracial marriage.

In the Oklahoma case, the court refused to interfere with a decision of the U. S. Court of Appeals at Denver holding the ballot law unconstitutional.

The appellate court said it was a denial of equality of treatment to require the label "Negro."

Under a provision of the Oklahoma Constitution, the phrase "white race" includes not only

that race, but all other races, except the Negro race.

The appellate court said this was "a direct discrimination between members of the Negro race and members of the white, yellow, and other races, all embraced in the phrase 'white race.'"

In a case from Virginia, the court called for more information before passing upon state laws prohibiting intermarriage of races—legally called miscegenation.

The court said the record before it is inadequate. It added that the litigants failed "to bring here all questions relevant to the disposition of the case." The ruling va-

Thousands Jam Streets, Crowd Onto Roof Tops

GETTYSBURG, Pa., Nov. 14 (AP)—President and Mrs. Eisenhower returned to Gettysburg today and a heart tinging home coming welcome from "the people who are going to be our neighbors, God willing."

Thousands of them turned out in historic Lincoln Square, jamming the streets, perching on balconies and in windows, crowding onto roof tops.

Before the little, informal speeches could get under way, the high school band and what looked like most of Gettysburg's 7,200 citizens swung into "Happy birthday, dear Mamie."

Mamie Handed Bouquet

Burgess (mayor) William G. Weaver told the chief executive and First Lady "how glad and happy we are that you have made Gettysburg your home." His daughter, Patricia, 13, handed Mrs. Eisenhower — 59 today — a bouquet of brilliant red roses.

Before driving the four miles to his country estate where he will spend another six weeks or more of continuing to convalesce from his Sept. 24 heart attack, the President spoke from a platform in the square to the beaming people surrounding him.

Ike Thanks "Neighbors"

He told his "future permanent neighbors, I hope," that he and Mrs. Eisenhower "feel deeply honored that you should turn out today to welcome us to this area where we expect to make our home and which has been so long a part of the Eisenhower family's life."

As a young Army officer, Eisenhower was stationed here during World War I.

And he said he thought that Mrs. Eisenhower decided back in 1918 that Gettysburg was going to be their home on retirement. He didn't say when that might be, though.

This was the first time in three months that the Eisenhowers have been home. They spent a few days at Gettysburg just before leaving Aug. 14 for Denver for a work and fun vacation interrupted by the heart seizure.

Bureau agents and police arrested Brown in a San Francisco residential district this morning as he slept in a stolen car with two loaded pistols at his side. He did not resist, though police said he once boasted he would never be taken alive.

Brown also is wanted for shooting a sheriff's deputy in Wyoming, kidnaping his own wife in Kansas City, rape and burglary in San Jose, Calif., and auto theft.

An FBI agent testified before a U. S. commissioner that Brown confessed the kidnap slaying of pretty, young Mrs. Wilma Allen, wife of a wealthy Kansas City automobile dealer, last August.

Bureau agents and police arrested Brown in a San Francisco residential district this morning as he slept in a stolen car with two loaded pistols at his side. He did not resist, though police said he once boasted he would never be taken alive.

Brown went on to relate, the agent said, how he watched the attractive young mother enter her convertible in a Southside Kansas City shopping center and then forced his way into the car at the point of a revolver.

Brown told him, the agent said, that he forced Mrs. Allen to drive south of Kansas City and shot her twice in the head. He finally left her body in a field southwest of Kansas City where it was found three days later.

Suicide Killer Of Three Thief

SPRINGFIELD, Mass., Nov. 14 (AP)—A \$25,000-a-year business executive who shot and killed his wife and two sons, then committed suicide Saturday night was pictured today by police as a thief who stole \$200,000 from his employer in 10 years.

Allison R. Sanger, 47, was vice president and general manager of Brooks Co., Inc., a printing concern. J. Loring Brooks, president, said he fired Sanger last week after discovering by accident that he had been selling some of the firm's printing paper stock to a "fence," presumably in New York.

At first the thefts were placed at \$60,000 but today Brooks estimated the figure would run as high as \$200,000, police said.

Sanger killed his wife Winifred, 45, to whom he had been married 21 years; his sons, Allison Jr., 14, and Russell, 9, and then himself.

The agent, whose name was withheld, quoted Brown as saying "I'm really wanted in Kansas City."

Brown went on to relate, the agent said, how he watched the attractive young mother enter her convertible in a Southside Kansas City shopping center and then forced his way into the car at the point of a revolver.

Brown told him, the agent said, that he forced Mrs. Allen to drive south of Kansas City and shot her twice in the head. He finally left her body in a field southwest of Kansas City where it was found three days later.

Navy Flier Killed

PHOENIX, Ariz., Nov. 14 (AP)—A Navy plane crashed in the foothills of the Estrella Mountains, southwest of Phoenix, today and the Litchfield Naval Air Facility said at least one occupant was killed.

The twin-engine transport

crashed about 10 miles southwest of the naval facility shortly after takeoff.

Churchill Back Home

Edgar Guest Recovering

DETROIT, Nov. 14 (AP)—Poet Edgar A. Guest is recovering satisfactorily from his heart attack Oct. 14, doctors reported today.

M'Keldin Commutes Death Sentence Given Korea Vet

BALTIMORE, Nov. 14 (AP)—Gov.

McKeldin today commuted to life imprisonment the death sentence imposed a year ago last July on Eugene E. Bryant, 22-year-old veteran of the Korean fighting in the slaying of his girl friend.

The victim of the slaying was Joan Marie Ruzza, found dead April 8, 1954, in an alley four blocks from her home at Capitol Heights, a suburb of Washington, D. C. She was 17.

It was testified by Bryant that he suffered head injuries several times in various accidents.

They said their son was discharged from the Army as an undesirable because of mental unbalance.

Russia Shuns Plan For Free Swap Of Ideas

Warning By Dulles Against Arms Sales Ignored By Molotov

GENEVA, Nov. 14 (AP)—Soviet Foreign Minister V. M. Molotov refused tonight to remove the Iron Curtain barring free exchange of ideas with the West.

The Russian accused the three Western foreign ministers of submitting proposals that would open his country to "freedom for war propaganda . . . freedom for unrestricted subversive propaganda."

He ignored a warning by Secretary of State Dulles against dumping Soviet "discarded arms" in the Middle East under the guise of peaceful trade.

The 13th session of the Big Four conference failed to make any progress on the third and last item of its agenda — development of East-West contacts. The ministers will end talks on this item tomorrow morning, then return to deadlocked Item 1—European security and German reunification. They will try to agree on some sort of joint communiqué at the final session of the three-week conference Wednesday.

Future Meeting In Doubt

It is not certain the Big Four will even be able to agree on another conference before they leave Geneva, since Molotov refused last week to consider unifying Germany by free elections and ruled out the Eisenhower aerial inspection plan as a first step toward disarmament, a 1956 conference seemed a certainty.

In a private huddle with British Foreign Secretary Harold Macmillan and French Foreign Minister Antoine Pinay this morning, however, Dulles expressed opposition to setting a time and place. He was reported to have argued that the question of another conference should be left open until after each minister had reported to his chief of government on the Geneva failure. Macmillan and Pinay were said to have urged firming up arrangements for another Big Four talk next year, on the theory it would contribute to further thawing of the cold war.

Clashes between soldiers and strikers were reported in Rosario, Argentina's second largest city 250 miles northwest of Buenos Aires. Dispatches from there said meatpacking and textile plants were closed by walkouts and army units were called out to disperse demonstrators. Public transportation was interrupted by the strikers, but was resumed under joint army-police guard.

The crisis loomed almost immediately after Aramburu replaced former Provisional President Eduardo Lonardi in a bloodless coup Sunday.

Name Goes With Job

PONTE VEDRA BEACH, Fla., Nov. 14 (AP)—The Florida State Cemetery Assn. elected Clifford S. Coffin as secretary today.

Daniel J. Tobin,
Ex-Chief Of AFL
Teamsters, Dies

INDIANAPOLIS, Nov. 14 (AP)—Daniel J. Tobin, 83, president emeritus of the AFL Teamsters Union and one-time power in labor and politics, died tonight.

Tobin, who headed the teamsters from 1907 to 1952, died at St. Vincent's Hospital where he was admitted in late Oct. suffering high blood pressure and heart trouble.

He was flown here from the Miami Beach home given him by the union, now led by Dave Beck.

Tobin made his home in Indianapolis until he retired from his \$30,000-a-year presidency. When he became president emeritus and Beck became president, the union gave each of them salaries of \$50,000 a year, and Tobin was given a \$60,000 home in Miami Beach. Beck then moved the union's headquarters from Indianapolis to Washington.

Tobin had served as treasurer and vice president of the American Federation of Labor.

Plumbing Contractor Kills Wife, Three Children, Self

MILWAUKEE, Nov. 14 (AP)—A quiet, mild-mannered business man, devoted to his family but possibly harassed by financial difficulties and overwork, killed his wife and three children today, set fire to their bodies and took his own life with the same weapon.

Police Chief Emil Bartels of sub-

urban Shorewood, where the family lived in a palatial home, called it murder and suicide.

Dead were Elmore A. Bucket, 41, a Milwaukee plumbing contractor; his wife, Mildred, 40, and their children, Bonnie Lynn, 12, Cynthia, 10, and Thomas, 8.

Bartels said the evidence indicated that Bucket had gone to his plumbing shop late last night, piled up business records—ledgers and other papers in the basement, saturated them with gasoline and set them on fire.

Then, Bartels theorized, Bucket drove home early today, carried a case of motor oil into the house and after shooting his wife and children, poured oil over their bodies, ignited it, and killed himself with an automatic pistol.

The bodies of the five persons were found in their second floor bedrooms by police who went to the home to check into the incendiary aspects of the plumbing shop.

The appellate court said it was a denial of equality of treatment to require the label "Negro."

Under a provision of the Oklahoma Constitution, the phrase "white race" includes not only the

decision of the Virginia Supreme Court of Appeals which upheld the state ban on interracial marriages.

This sends the case back to the Circuit Court of the city of Portsmouth for further proceeding designed to get a better record.

In taking this action, the court noted its policy of ruling on constitutional questions only when it has before it a record "in clean-cut and concrete form."

The Virginia case came to the Supreme Court on an appeal by Ham "Say" Naim, a Chinese sea-

man. He appealed after the state's

highest tribunal had refused to

Gettysburg Welcomes Ike

Thousands Jam

Maryland Guard Desegregation Suit To Be Filed

BALTIMORE, Nov. 14 (AP)—The United States District Court will be asked to rule out segregation in the Maryland National Guard.

The suit by 15 Negro officers on inactive status will claim segregation is "unconstitutional and without any reasonable justification," their lawyers said today.

The suit also will argue that "Congress has declared the National Guard an integral part of the first line of defenses of the nation. Maryland law calls for conforming of the state National Guard to the pattern of the regular Army which is integrated."

"Segregation in the Maryland National Guard weakens its military efficiency and impairs its fighting effectiveness, as a constituent part of the armed forces of the United States."

"Facilities offered colored veterans in the National Guard are clearly inferior to those available to other members."

The 231st Truck Transportation Battalion in Baltimore is the only one of 38 guard units in Maryland open to Negroes, the attorneys said. They reported that Gen. Milton A. Reckord, adjutant general, will permit only Negro enlistments in the battalion.

The 15 officers were members of it when it was mobilized and sent to active duty in Korea. Since returning, the 15 officers have remained on inactive status instead of rejoining the truck battalion.

They complained that they were integrated with other regular Army units while on active duty. Gen. Reckord replied "We have decided the efficiency of the National Guard will be maintained on a higher standard by continuing as we are and not permitting integration."

Md. Farmers Appeal U.S. Inspector Ruling

BALTIMORE, Nov. 14 (AP)—Four Carroll County farmers carried to the U.S. Circuit Court of Appeals today their fight against permitting federal inspectors to measure their wheat crops.

Federal Judge Roszel C. Thompson had ordered last June that the farmers must let the inspectors on their farms. Wheat farmers are given acreage allotments because the government furnishes price supports.

A majority of the farmers in the country voted for the price supports and all of them are bound by the regulations which include quotas for the amount which may be planted. Farmers may be penalized for exceeding their quotas.

The four Carroll County farmers, Lewis Shafer Sr. and his three sons, Lindsay, Lewis and Joseph, had never applied for price supports and refused to let inspectors on their farm near Westminster.

This week GODFREY HIMSELF

tells about his big radio idea and the accident that changed his life.

When Arthur first broke into radio, he tried to imitate famous announcers—and flopped! Then came his big idea.

You'll learn about the time when he had to hold down two jobs to make ends meet, and why he decided not to accept his commission in the Coast Guard. Arthur tells you all about his near-fatal automobile accident, and how it gave him a completely new radio personality!

Robert E. Sherwood, Noted Dramatist, Dies At Age 59

NEW YORK, Nov. 14 (AP)—Robert E. Sherwood, 59, whose pen won him more Pulitzer prizes than any other American, died today. The six foot, seven inch playwright and biographer suffered a heart attack Saturday.

A prolific writer in several fields, Sherwood shared with the late Eugene O'Neill the honor of winning three Pulitzer prizes for drama. Sherwood won a fourth prize in 1949 for a political biography based on the papers of the late New Deal presidential adviser, Harry Hopkins.

Sherwood's memorable plays included "Idiot's Delight," "Abe Lincoln in Illinois," "There Shall Be No Night"—all Pulitzer prize winners—and "Waterloo Bridge" and "The Petrified Forest." He had a new one about ready for Broadway production.

Sherwood also ventured into the

Senators Begin Constitutional Rights Hearings

WASHINGTON, Nov. 14 (AP)—A Senate subcommittee began its study today of America's political freedom, with admonition to "let the discontented talk."

These words, or similar, were common to the testimony of four witnesses called in to discuss the broad aspects of the First Amendment to the Constitution. It guarantees freedom of speech, press and assembly.

One of the four, educator Alexander Meiklejohn, said Congress has no right to ask anyone—under threat of harmful or degrading consequences—if he is a Communist.

After Meiklejohn and the others finished their prepared remarks they sat down at a big table to talk it all over in panel discussion with Sens. Hennings (D-Mo.) and Sen. O'Mahoney (D-Wyo). Hennings is chairman of the Senate subcommittee on Constitutional Rights.

The witnesses differed in their opinion on how far the government can go or should go in abridging political freedoms during times of danger to the government.

Meiklejohn, former president of Amherst College and now chairman of the Experimental College at the University of Wisconsin, said the First Amendment was an absolute statement saying flatly Congress shall make no laws to abridge the freedom.

But all four spoke of the need of the people hearing all sides in order to make wise decisions.

Zechariah Chafee Jr., professor at Harvard University, said men will love their country when it is free and unafraid, and "lets the discontented talk in order to learn the causes for their discontent and end those causes, refuses to impel men to spy on their neighbors, protects its citizens vigorously from harmful acts while it leaves the remedies for objectionable ideas to counter arguments and time."

The subcommittee plans three weeks of hearings. Hennings said they would constitute a "survey of the areas of erosion" of constitutional rights guaranteed in the Bill of Rights.

U. Of Md. Professor Apparent Suicide

BALTIMORE, Nov. 14 (AP)—John Semitarn Strahorn Jr., 53-year-old professor of law, was found shot to death at his desk in the University of Maryland Law School today, "apparently" a suicide.

A long-barreled pistol was found alongside of Strahorn who was shot in the chest. The verdict of indicated suicide was made by Dr. William V. Lovitt, assistant medical examiner.

Strahorn had been talking with other professors at the school shortly before he was found dead.

He had been teaching at Maryland since 1931.

U. S. Task Force Antarctic-Bound

NORFOLK, Va., Nov. 14 (AP)—A Navy task force left today for the Antarctic and was headed by America's foremost polar explorer as the beginning of this nation's permanent occupation of bases on the icy continent at the bottom of the world.

Retired Rear Adm. Richard E. Byrd wished the task force Godspeed, said he would join it in New Zealand, and told the officers and men their departure today "marks an important milestone in history."

A small group of military commanders, scientists and congressmen were present for a brief ceremony on a naval base pier just before the sailing of two cargo ships. The other five ships of the task force had sailed last week.

Second National Plans Bank Opening

The Second National Bank, after 18 months of remodeling and expanding building facilities, will hold a formal opening Saturday from 11 a.m. until 4 p.m.

Completely renovated and modernized throughout, the additions are constructed of matching brick which conform perfectly with the original structure of early Flemish Renaissance design.

The interior walls are of oak and oak veneer. Carpeting is of Celanese. Fixtures, furniture and equipment is the newest obtainable in banking, office and institutional furnishings. The entire building has been completely air conditioned during the renovation. George F. Hazelwood Company was the contractor.

At Saturday's formal opening, souvenirs will be distributed and visitors will be taken on a tour of the new banking house. A special display of money is being arranged, including bills of every denomination up to \$10,000, plus other monetary items of interest.

Boy Dies In Sand Pit

BALTIMORE, Nov. 14 (AP)—Robert J. Taylor, 8, was sent to the store by his father Saturday and didn't return.

A workman at a paving company sand pit saw the legs of a boy sticking out of the 10-ton pile this morning. Firemen dug in seven feet of sand and found the body of the Negro boy.

Federal Surplus Food For Strikers Urged

BALTIMORE, Nov. 14 (AP)—Gov. McKeldin was asked today to request the federal government for surplus food for strikers against the Westinghouse Electric Corp.

State Sen. Goodman (D-Baltimore) wrote the governor to make the request of the Bureau of Ex-

cess Food. The senator said 600 families are suffering hardship on account of the strike.

New Hospital Wing

BALTIMORE, Nov. 14 (AP)—Gov. McKeldin will dedicate a new wing to the Victor Cullen State Tuberculosis Hospital in Frederick County next Monday.

Truck Hits Bridge

HAGERSTOWN, Nov. 14 (AP)—A tractor-trailer loaded with nylon thread crashed into a bridge on Maryland 398 just west of here today causing a loss estimated at \$30,000.

Erskine L. Moses of Salem, Va., the driver, escaped injury. But the truck and cargo were a total loss, State Police said.

Council Makes Appointments In Rec Dept.

Three appointments received approval of the Mayor and Council yesterday.

Joseph F. Harvey Jr., was appointed a regular member of the Police Department effective November 12.

Two seasonal Recreation Department appointments named Mrs. Eva M. Hogan as assistant to Director Robert E. Pence at a salary of \$200 a month, effective October 26, and John J. Bucklew as basketball custodian at a wage of \$1 an hour.

Council granted the Salvation Army permission to have its Christmas fund kettles at three locations on Baltimore Street and Virginia Avenue for the period November 26-December 24.

City Auditor Arthur B. Gibson was authorized to issue checks to city employees today.

Parking meter inspector Harry Whisner reported collections the week of November 6 at \$710.61 compared to \$697.45 the week of October 30, an increase of \$13.15.

Council accepted a report by Dr. Winter R. Frantz, city and county health officer, concerning a sanitary situation on Golden Lane. Council has tabled indefinitely an ordinance for sewerage of the street but the city engineer, Charles R. Nuzum, had said three properties were without septic tanks which should be installed. The matter was referred to the Health Department.

Frantz said due to contour of the surfaces and consistency of soil some of the septic tanks have not been satisfactory. He added he did not think installation of the tanks would improve sanitary conditions and recommended no action be taken at this time.

Water consumption for the week ending Sunday was 81,920,000 gallons compared to 100,300,000 the same period a year ago. The water level at Lake Gordon is 1 foot 8 inches below the crest of the spillway and in Lake Koon 6 feet below, C. L. Brotmarkle, assistant superintendent of Evitts Creek Water Company, reported.

PTA Meeting Slated

The executive committee of the Parent-Teacher Association of Johnson Heights School will meet today at 7:30 p. m. at the school.

Youths Admit Rifling Autos

Four local youths, three 13 years of age and the fourth only 12, were arrested Sunday evening by Western Maryland Railway Company police.

The youngsters were caught rifling automobiles on Canal Street, on Western Maryland Railway property.

After being taken to Police Headquarters the boys admitted ransacking cars in the Cumberland area during the past several months.

They were released in the custody of their parents, and will be given a hearing later this week in Juvenile Court.

Rev. Lloyd Voll Honored By Bowling Green Parish

Rev. Lloyd Voll, pastor of St. Matthew's Reformed Church, Bowling Green, since December 1, 1950, has accepted a new pastorate at the First Evangelical and Reformed Church at Warren, Ohio, and the congregation honored Rev. Voll and his family with a dinner a recent night.

Rev. Voll received degrees from Franklin and Marshall College, Lancaster, Pa.; Theological Seminary of the Evangelical and Reformed Church, Lancaster, and Western Theological Seminary at Pittsburgh.

When he came here to St. Mat-

City May Limit Speed On Light Surfaced Streets

Speed limits on streets which have been treated with light surfacing will be discussed with local Teamsters Union members and truck owners in the next two weeks.

Street Commissioner William H. Buchholtz revealed plans for the meeting at yesterday session of the Mayor and Council in commenting upon complaints received

URWA Groups To Meet

The executive board of Local 26, United Rubber Workers of America (CIO) will meet Thursday at 7:30 p. m. at Union Hall. The membership meeting will be Saturday at 7:30 p. m.

about speeding on and damage to streets from heavy vehicles.

Buchholtz said he had talked with G. Bates Chaires, district engineer of the State Roads Commission, and finds that the Street Department has jurisdiction in the matter.

However, he added, before imposing a hardship on anybody—especially unloading of coal and other instances where heavy trucks are necessary—he wanted to have a meeting with the union and companies to see what can be done.

Hold Up Well

The matter, at Buchholtz' request, was delayed for another two weeks.

City Engineer Charles R. Nuzum told council that a personal inspection of light surfaced streets at Shades Lane, Central and Highland Avenue, revealed no visible evidence of damage to date. These

streets were treated last summer.

He added it might be advisable during the spring thaws to restrict speed on them but at the present time the streets are holding up.

Answering a question from Mayor or Roy W. Eves about Patterson Avenue, which also has light surface treatment, Nuzum said that is a peculiar case since heavy traffic was detoured over it because of the Kelly Boulevard flood control project. It was pointed out, however, that Patterson has held up well.

Police and Fire Commissioner William V. Keegan said truck driving and otherwise improving

Michigan Avenue. The ordinance will be introduced November 28 under the new plan instead of next week.

Commissioner Buchholtz, referring to a question about the estimated cost, said he had given a high estimated front-footage figure because there is a considerable amount of fill involved and he did not want to say the project would cost so much and then have it turn out to be much higher.

The sixth annual Ladies Night program of Cumberland Council 179, United Commercial Travelers, will be held Saturday at Al's Ghar Shrine Country Club.

The dinner will be held at 6:30 p. m. with a dance to follow. A program of entertainment has been arranged for the intermission.

Gulf No-Nox burns clean. Here's proof: Note the black deposit on plate at left, caused by the "dirty-burning tail-end" of gasoline—the part which Gulf refines out in making new NO-NOX. But see how clean new NO-NOX leaves the plate at right. Now—in your own car, see how new NO-NOX can give you more miles per gallon in the kind of short-trip, stop-and-go driving you do most.

Gulfpride Select works clean. Here's why: Most conventional oils are refined only to the stage shown in A. But New Gulfpride Select is further refined by the Alchlor Process—removing up to 15% more of the carbon-formers, in B... C contains the new super-refined oil that gives you more miles per quart because it has natural viscosity(body)—contains no artificial thickeners that break down in service.

Together they give you thousands of extra miles of new-car performance... new-engine economy

Gulf now brings you not just a gasoline... not just an oil... but a great new gasoline and a great new motor oil which, working together, boost each other's efficiency.

This new Gas-Oil Team will help your car retain all the horsepower you paid for—

help you enjoy thousands of extra miles of new-car performance.

Now that fall changeover time is here, switch to Gulf's great new Gas-Oil Team to get more miles per gallon—more miles per quart... plus complete engine protection.

Navy Mothers Club State Meeting Here November 19

Plans were completed for the state meeting of Navy Mothers Club to be held here November 19, at the meeting of the local group Friday at the American Legion Post home. Mrs. Florence Chandler presided.

The state meeting will begin with a ham supper for state officers and members at the Legion Home at 5 p. m. Reservations must be

made today to Mrs. Leannah Golden, chairman for the supper, 618 Elm Street, phone PA 4-2018.

The regular meeting scheduled for November 25 will be held with the state meet Saturday. All officers are to wear white. The meeting will begin at 7 p. m. with a program and entertainment followed by a bazaar.

Reports were given by Mrs. Sally Engle on the recent ham supper; Mrs. Bertha Simpson, sunshine chairman; Mrs. Elizabeth Nave, sewing, reporting that in connection with the new project for handicapped children for Christmas, anyone wishing to sew may go to Mrs. Nave's home, 923 Bedford Street, as she has all the material for the project; Mrs. Goldie Hare, ways and means report.

Two prizes donated by Mrs. Nave and Mrs. Flora Barnstricker were won by Mrs. Pitts and Mrs. Hare.

Following the meeting a birthday party was held for members having birthdays in September and October. Mrs. Chandler was chairman.

It was decided to hold a Christmas party and covered dish dinner at the church December 6 at 6:30 p. m. Committees appointed are Mrs. Dick Vandenberg, Mrs. Harry Wright and Mrs. James Glover, menu and dinner; Mrs. K. O. Nelson, Mrs. Charles DeVault, Jr., and Mrs. Con Miller, entertainment and program; Dick Vandenberg, James Glover Avenue.

Adult Group Plans Yule Party

The Mixed Adult Fellowship of the Cresaptown Methodist Church met recently in the church recreation room, Walter Hedrick presiding. Hosts were Wilbert Kneppe, Al Kirk, Mr. and Mrs. Con Miller and Mr. and Mrs. Charles DeVault, Jr.

James Glover led group singing accompanied by Mrs. Martin Johnson at the piano. Martin Johnson read and discussed an editorial entitled "Thanksgiving" for the devotional service.

Recently adopted by-laws of the group were given to each member present and a nominating committee appointed to present a slate of officers for 1956. On the committee are Fred Willison, chairman, Dick Vandenberg and Arbutus Miller.

It was decided to hold a Christmas party and covered dish dinner at the church December 6 at 6:30 p. m. Committees appointed are Mrs. Dick Vandenberg, Mrs. Harry Wright and Mrs. James Glover, menu and dinner; Mrs. K. O. Nelson, Mrs. Charles DeVault, Jr., and Mrs. Con Miller, entertainment and program; Dick Vandenberg, James Glover Avenue.

KITCHEN TIPS

NUMBER 8

Here are some Autumn homemaking suggestions from the kitchens of your local electric light and power company and its Home Service Advisors. We hope you will find them useful.

To pep up plain canned or pre-cooked beans, fry an onion in bacon fat several minutes, then add beans and some brown sugar.

It's easy to freshen shredded coconut—just soak in fresh milk with a dash of sugar for a few minutes. Or, place in sieve, set over boiling water and steam until moist.

The most dreaded after-dinner chore fades away when you have one of the new electric dishwashers.

To remove odors from jars and bottles, pour a solution of water and dry mustard into them and let stand for several hours.

Salted nuts, caramel corn, potato chips keep their flavor and crispness better when stored in your home freezer.

Avoid "boil-overs" when cooking spaghetti or macaroni—add one tablespoon of cooking oil or shortening to the water.

Refrigerator ice cream will have a better texture if it is removed from the tray and beaten with a rotary beater once during freezing . . . heating incorporates air and keeps ice crystals small. If an electric blender is used, no heating during the freezing process is required.

Never attempt to re-can any food that has begun to spoil . . . it's a difficult process and the results may be dangerous.

There's a free new recipe booklet, "Reddy's Recipes," waiting for you at our local office. Get your copy now by writing to our Home Service Advisor at the nearest office of the

RETIRE MEMBERS HONORED — Miller-Dale Lodge, 1003, Brotherhood of Railway Clerks, presented bonds to two members who recently retired at the annual dinner dance of the group Saturday at the Moose Home. Shown, left to right, are past president Howard Mignot, who presented the gift to J. M. Zimmerman, retired; Miss Hilda Lewis, accepting a bond for Mrs. Nellie Morgan, retired phone operator who is in Florida, and Marvin E. Clark, secretary treasurer.

Home Room Mothers Named

Home Room Mothers of Columbit Street School will meet at 2 p. m. today in the recreation room of Fairview Methodist Church.

Mrs. Harvey Stouffer, chairman, has announced the following home room mothers for the year:

First grade: Mrs. Grubb, Mrs. William McGinn, Mrs. Henry Sauer, Mrs. Manges Work, Mrs. Robert Pence, Mrs. John Mayo, Mrs. William B. Williams, Mrs. James Edmiston and Mrs. David Watson.

Second grade, Mrs. George Pfeiffer, Mrs. Joseph Siebert, Mrs. Belmont Robinette, Mrs. Lester Smith, Mrs. William Rice, Mrs. George Rowe, Mrs. Robert Boden, Mrs. Charles Burns and Mrs. Fred Carson.

Third grade, Mrs. William Brady, Mrs. Homer Dicken, Mrs. Robert Thom, Mrs. Harvey Stouffer, Mrs. Kenneth Castle, Mrs. Harry Davidson, Mrs. Luther Hutter Jr., Mrs. Raymond Beeman and Mrs. John Saville.

Fourth grade, Mrs. Jesse Baker, Mrs. William Shaver, and Mrs. F. Knippenberg.

Fourth and fifth grades, Mrs. Albert Gorner, Mrs. Ray Bloss, Mrs. James Van Sickle, Mrs. Wallace Wilson; fifth grade, Mrs. Joe Keefe, Mrs. Paul Hartung, Mrs. Ray Dexter, Mrs. Charles Meaghern, Mrs. L. W. Diehl, Mrs. James Gaffney and Mrs. Francis Wisenburgh.

Sixth grade, Mrs. Browne Shirliffe, Mrs. John Groves, Mrs. Harry Allison, Mrs. Ronald Jackson, Mrs. Charles Keyser, Mrs. Michael Cunningham, Mrs. Robert Kasecamp and Mrs. Wilmer Nunemaker.

Court Cardinal Gibbons No. 529, Catholic Daughters of America will hold a rummage sale Friday at the Canada House from 6 until 8 p. m., Mrs. Julia Newman in charge. Donations may be picked up by calling Mrs. Cecelia Albright, PA 4-0126; Mrs. Hazel Soethe, PA 2-2890, Mrs. Newman, PA 2-2784 or Mrs. Margaret Sell, PA 4-6640.

The 8-40 of the American Legion Auxiliary will hold its regular meeting tonight at 6 o'clock at the Post Home, Harrison Street. Mrs. Harney, chapeau, will preside and plans for the Christmas party will be discussed. All members are asked to attend.

Ursuline Auxiliary will hold the regular monthly meeting tonight at 8 in SS. Peter and Paul hall.

Miller-Dale Lodge Honors Recently Retired Members

The annual dinner dance of the Miller-Dale Lodge, 1003, Brotherhood of Railroad Clerks, of the Western Maryland Railway was held Saturday evening at the Moose Home.

Chaplain J. D. Reynolds opened with prayer. Joseph F. Challinor, toastmaster, introduced officers of the lodge, visitors and the committee in charge.

Talks were given by Marvin E. Clark, secretary-treasurer, Norman Zegles, local chairman, and R. B. Wooters, division engineer of the Elkins division of Western Maryland Railway.

Special guests were J. M. Zimmerman, retired member of the brotherhood, Mr. and Mrs. Wooters and officers of Moose Lodge.

A welcoming speech was given by Russell Minnicks, governor of the Moose Lodge, who introduced the officers of the Moose and sang "My Buddy" in honor of Veterans Day.

Toastmaster Challinor lead group singing.

H. L. Mignot, past president of the Miller-Dale Lodge presented Mr. Zimmerman a bond and Miss Hilda Lewis accepted a bond for Mrs. Nellie Morgan, retired telephone operator, who is in Florida. Mrs. Morgan's bond was presented by Mr. Clark.

A floor show by the Star Dance Studio featured the entertainment. Mrs. Gloria Flynn was in charge and Mrs. Clara Fisher was accompanist.

Dancing with music by the Moose Orchestra concluded the evening.

AAUW Schedules Three Group Sessions

Three group meetings of the Cumberland Branch of the American Association of University Women have been scheduled for this month.

November 15 the Creative Writing Group will meet at the home of Mrs. Alice Fry, Frost Avenue, Frostburg, at 8 o'clock.

Mrs. Ray Carroll will talk on "Weather" at the meeting of the Garden Study Group November 16 at the home of Mrs. Lawrence Kahn, Corriganville. The meeting will begin at 8.

The International Relations Group will meet November 30 at 8 o'clock, at the home of Miss Margaret Baker, 313 Greene Street.

Cresap Chapter, DAR, will have a rummage sale today at 81 North Centre Street from 10:30 a. m. until 8:30 p. m.

BPW Club Hobby Show Today

The Business and Professional Women's Club opens its third annual hobby show this afternoon at the Cumberland Free Public Library from 1 until 5 p. m. and from 7 p. m. until 9. The show continues through Friday.

The three best entries in both the creative arts and collections will be selected by popular vote. Ribbons will be attached to the winning exhibits for the last day.

Included among the hobbyists who have entered exhibits are Mrs. Marian Heiskell, needlework; Miss Helen Cherry, ceramics; Lewis Young, candlesticks; Mrs. Lewis Millholland Jr., hooked rug; Miss Gertrude Ranck, wood carvings; Mrs. Anthony Cioni, ceramics; Mrs. Aden Everstine, chair caning; Dr. Lillian C. Compton, needlepoint; Mrs. Mary Minghine, paintings; Mrs. Wilma Winters, paintings; Mrs. E. Phillips, sunflowers saved for winter; Miss Helen Knippenberg, photography; Mrs. Guy Clark, ceramics; Miss Mary Walsh, rare books; Mrs. Cora Perry, rug; Mrs. J. H. Stitely, daisy and button glassware; Miss Evelyn Moyer, needlework; Mrs. Roy Ringler, old dishes; Mrs. Ellen McKenzie, African violet; Mrs. Phyllis McGaughy, earrings; Mrs. Irene Critzman, ceramics; Mrs. Roy Eves, aprons; Mrs. Virginia Morris, artificial flowers; Mrs. Helen Schwab, jewelry, and Mrs. Russell Valentine, braided rug.

Among those assisting Mrs. Karl G. Perry, chairman as hostesses are Mrs. Emma Everstine, Miss Irene Lapp, Miss Helen Cherry, Miss Gertrude Ranck, Mrs. Lucille McGeady, Mrs. Sylvia Schwab and Miss Helen Beck, president of the Cumberland BPW.

Templar-Somerville Circle of First Presbyterian Church will meet in the Templar Room, tomorrow at 1 p. m. for an important final planning meeting for "Ye Ole Village Mart." Members are urged to attend. It will not be a luncheon meeting but refreshments will be served with Mrs. Adolph Blunk as hostess.

Excelsior Class of Grace Methodist Church, Virginia Avenue and Second Street, will hold a rummage sale in the basement of the church from 10 until 2 p. m.

The Spangler-Haenfling Circle of First Presbyterian Church will meet in the Templar room today at 8 p. m.

Mrs. John Appel Honored At 89th Birthday Dinner

Mrs. John Appel, who marked her 89th birthday yesterday, was honored by her children at a family dinner Sunday at her home, 514 Fairview Avenue.

Mrs. Appel received a birthday cake and many cards and flowers to celebrate the occasion.

The former Miss Mary Michaels, daughter of the late Harmon and Catheryn Michaels, Mt. Savage, she became the bride of the late John Appel of Cumberland on April 20, 1892. Mrs. Appel is the mother of three children, Miss Eleanor Appel, Mrs. Gordon Leatherman, and Edward F. Appel.

She is one of the oldest members of St. Lukes Lutheran Church and the oldest member of the Altar Society of the church.

Mrs. Appel enjoys good health and does a lot of reading and sewing.

A Tribute . . . To Our Ministers!

Each Sunday and oftentimes throughout the week, the minister of your church lifts his head in prayer and envisions the heaven of your faith. He is a patient man. He is an understanding man. He is there, your loyal friend, in sickness, sorrow. He officiates at weddings and visits the homes of his parishioners. Yet with all his biblical knowledge and his interest in his sermons, he is a man. A fine man. And he should be treated as a friend and companion, not merely as a cleric. Your minister and his church deserve all the support you can give them. Attend services regularly and be generous with your contributions.

DEATHS AND FUNERAL NOTICES

MRS. CLEMENTINE LACEY

WESTERNPORT — Mrs. Clementine Lacey, 79, of Baltimore, a former resident, died Sunday in Shady Nook Nursing Home where she had been a patient since April 10.

A daughter of the late Mr. and Mrs. Frank Kooken, she had resided in Baltimore 50 years. Her husband, James Lacey, preceded her in death.

Survivors include a sister, Mrs. Roxie Crawford, Westernport, and brother, Louis Kooken, Elk Gar- den.

The body will be at the Fredlock Funeral Home, Piedmont, on Wednesday. A requiem mass will be celebrated Thursday morning at St. Peter's Catholic Church here with interment in Philos Cemetery.

LABER SERVICE

A funeral service for John Laber, 80, of 100 Independence Street, who died Sunday, will be conducted tomorrow at 2 p.m. at the Kight Funeral Home.

Rev. Dr. Hixon T. Bowersox, pastor of St. Paul's Lutheran Church, will officiate, and interment will be in Frostburg Memorial Park. The body is at the funeral home.

The body is at the funeral home.

High-style hits the highway with a Sunday punch!

Sure, this new "PowerStyle" Chrysler looks powerful . . . even when it's parked.

But take a Chrysler out on the highway where it can show its stuff! Then can you know what power means!

Take a Chrysler Windsor V-8, for example . . . as sleek a package as ever came down the pike. It's got power everything, including an optional power-packed Sunday punch — Chrysler's great new "Power-Train" that boosts horsepower 9%, torque 10%, and 0 to 60 mph. acceleration 15%. Without burning any extra gas.

And now . . . PUSHBUTTON DRIVING! Another new

Chrysler first — the sensational car idea of the year — is Pushbutton PowerFlite. You'll never again have to shift gears. Just touch a button on the safe left side of the instrument panel and presto — you go!

Well, why wait? Just for the feel of it, put yourself in the pilot's seat of the new Chrysler Windsor . . . with new SpitFire V-8 engine . . . new Pushbutton PowerFlite . . . new PowerPilot Steering . . . new Power-Smooth Brakes . . . and the go-getting new optional "Power-Train" System.

We're warming one up for you right now!

MRS. ELLA BURKE

Mrs. Ella Burke, 81, died Sunday at her home, 234 Columbia Street.

Born in Kingsville, W. Va., a daughter of the late Matthew and Ann (Brady) Davis, she was the last surviving member of that family. Mrs. Burke was a member of St. Patrick's Catholic Church, the Sodality of the Sacred Heart and the League of the Sacred Heart.

Surviving are two sons, Joseph and Sylvester Burke, both of this city; three daughters, Mrs. Charles Brinker, Bethesda, and Misses Gertrude and Lorena Burke, at home, and four grandchildren.

The body is at the residence. A requiem mass will be celebrated Wednesday at 9 a.m. at St. Patrick's Church and interment will be in the parish cemetery.

Interment will be in Hillcrest Burial Park, Cumberland.

MRS. MAMIE MOXLEY

Mrs. Mamie (Wempe) Moxley, 80, widow of Roley T. Moxley and a native of this city, died yesterday morning at her home in Baltimore.

In ill health for five years, she was the last surviving member of her family, pioneer residents of the Oldtown Road section.

She was a native of this city, a daughter of the late Martin and Margaret (McDonald) Wempe, and lived on Oldtown Road as a youth. She had been a resident of Baltimore for about 50 years.

Surviving are a son, Rolandus E. Moxley, 624 North Augusta Avenue, Baltimore, with whom she made her home, and a granddaughter. Three brothers, Edward M., Bernard H. and Frank M. Wempe, and a sister, Mrs. Michael P. Moran, preceded her in death.

A requiem high mass will be held Wednesday at 9 a.m. in St. Bernadine's Church, Baltimore, and burial will be in Holy Redeemer Cemetery there.

MALONE FUNERAL

A funeral service for Henry W.

Malone, 73, of Fort Ashby, who

died Sunday, will be conducted

today at 2 p.m. in the Fort Ashby

Methodist Church.

REV. ALONZ HARMON

Rev. Alonzo Harmon, pastor, will officiate and interment will be in the family cemetery near Fort Ashby. Pallbearers will be William E. and Michael Malone, Roy Allen, James and Jack Kesner and Robert Chase, Jr. The body is at the George Funeral where it will remain until noon today when it will be taken to the church.

WILLIS M. RICKEY

Willis M. Rickey died this morning at the home of a daughter, Mrs. Wylie M. Faw Jr., 531 Washington Street.

He was a son of the late Dr. John W. and Clara B. (Williams) Rickey. His wife, Mrs. George (Laird) Rickey, preceded him in death.

Mr. Rickey was a member of Centre Street Methodist Church, East Gate Lodge 216, AF and AM; Grafton (W. Va.) Lodge 687, Knights of Pythias, and the Train Dispatchers Association. He was a retired employee of the Baltimore and Ohio Railroad Company.

Surviving, besides his daughter, are two sons, Orland D. Rickey, city, and J. Willis Rickey, Charlotte, N. C.; two brothers, Mayes B. and J. Earl Rickey, both of Moundsville, W. Va., four grandchildren and a great granddaughter.

The body is at the Faw residence.

A service will be conducted at the residence tomorrow at 1 p.m.

with Rev. Howard Amoss, pastor

of Centre Street Methodist Church,

Greenbush.

Interment will be in Hillcrest

Burial Park. Pallbearers will be

Charles Gehr, Charles Furtney,

Harry Simpson, Lynn Lashley,

Walter Hartman and Frank Wright.

The family requests that flowers

be omitted.

MRS. IDA STANBAUGH

FROSTBURG — Mrs. Ida Stanbaugh, 86, of Chambersburg, Pa., a former resident, died Sunday in the Washington County Hospital, Hagerstown.

She was the wife of the late John Stanbaugh of Frostburg. One son, Melvin Stanbaugh, of Chambersburg, survives.

A funeral service will be held

Wednesday afternoon, with interment in Chambersburg.

MRS. MINERAL HILGHMAN

WESTERNPORT — Mrs. Mineral Hillghman, 83, died last night at Weeks Nursing Home, Oakland, where she had been a patient for the past three months.

She resided at 147 Wood Street with a niece, Mrs. Bond Pence, and a sister, the late Mrs. Nora Lichliter. A native of Fort Ashby.

Pupil Personnel Meeting Opens

Three representatives from Allegany County are in Baltimore this week attending the State Conference of Pupil Personnel Workers at the Lord Baltimore Hotel.

Attending from here are Homer S. Higgins, supervisor of pupil personnel in the county public schools; Miss Esther M. Carter and Frederick H. Sheeley, visiting teachers.

Dr. Thomas G. Pullen Jr., state superintendent of schools, extended greetings yesterday. There also was a summary of a survey of pupil personnel services. Today's luncheon speaker will be Dr. G. G. Ference ends Wednesday.

NEW! Penetrating relief from pain of arthritis and rheumatism

FEELS COOL WHEN SPRAYED ON SORE SPOTS

DEEP HEAT FROM NEW MENTHOLATUM RUB — gets right to where it hurts!

DEEP HEAT It's a new and different penetrating relief for arthritic pain and misery. And it's greaseless and stainless.

Just massage Deep Heat Mentholutum Rub on the sore spot as needed. In 30 seconds feel its Deep Heat bring relief. Feel a warmth right at the point that hurts. Quickly "drawn muscles" are relaxed. Soon nagging arthritic or rheumatic pain is soothed.

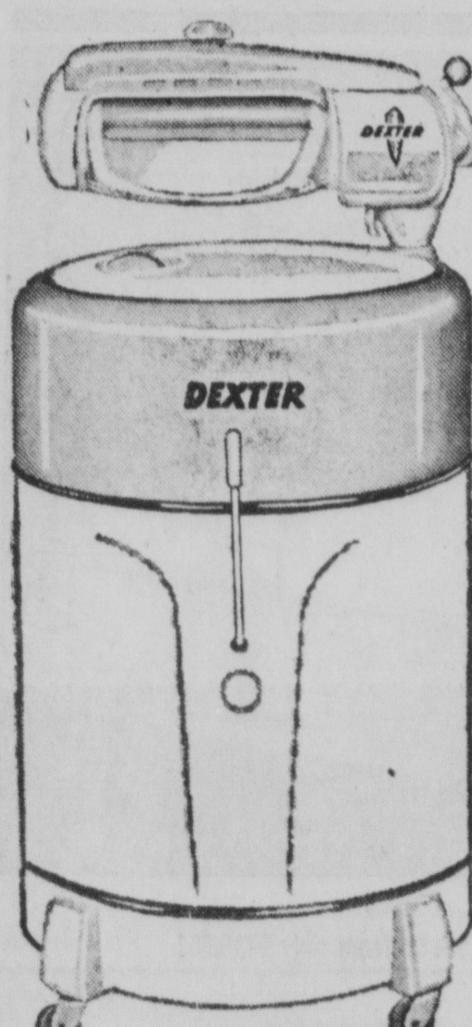

Mentholutum Rub includes the latest discoveries for relief — a combination of active ingredients for extra-deep skin penetrating power. Guaranteed by a laboratory with 60 years' experience, you must feel relief deep down—or Mentholutum will refund purchase price.

Stuffy head cold? Use regular Mentholutum. Soothe sore lips with Mentholutum Stick.

Garrett Co. Jury Decides Road Case

Sets Land Value At \$2,670 Total

A Garrett County Circuit Court jury in Oakland yesterday awarded Mrs. Edith Cuppett Smith of Washington, D. C., \$2,670 for some two-and-seven-tenths acres including 1,207 feet of frontage along U. S. Route 219 at Deep Creek Lake which the State Roads Commission has already taken for an improvement to the highway.

Associate Judge Neil C. Fraley presided at the trial. The jury deliberated about one hour before reaching its verdict.

In deciding the case, the jury had two widely varying figures to consider. The State Roads Commission had offered \$170 for the property in question whereas witnesses for Mrs. Smith, formerly of Garrett County, placed the value at \$12,000.

Frederick A. Puderbaugh, this city, and William O. Tracy of Oakland were SRC attorneys at yesterday's trial. Mrs. Smith was represented by Attorney Horace P. Whitworth Jr. of Westerport.

A second condemnation trial is scheduled today in Garrett County Circuit Court. This concerns other property along Deep Creek Lake. The property owner is John Phillip Thayer, who owns "The Barn" and a service station. His attorneys are William A. Gunter, this city, and Walter Dawson of Oakland.

Air Reserve Meets Today

Flight J and M, 9511th Air Reserve Squadron, will meet today at 8 p. m. at the Naval Reserve Armory, McKaig's Hill, for scheduled classes in administration.

Capt. Ernest J. Fauss, flight commander, last night said men are needed in the grade of airman first class or higher for specialized training as noncommissioned officers.

Also there are many openings in a flight for aircraft mechanics which will be activated soon. M/Sgt. Albert Wiley, liaison NCO from the Hagerstown Squadron, will be in Cumberland this afternoon at the Civil Service office in the Post Office to complete scheduled surveys for officers in Flight J.

Mishap Victims Reported Fair

A man and wife, who reside near Paw Paw, are reported in fair condition at Sacred Heart Hospital where they were admitted on Sunday with injuries sustained in an auto mishap which occurred on Martins Mountain on Route 40.

They are Walter L. Condry, 34, who was reported to have sustained shoulder and chest injuries, his wife, Eleanor, 26, who reportedly sustained a broken left hand. Both were in shock when taken to the hospital.

In another weekend accident, five sailors were involved in an accident along Pinto Road, Sunday night when the car in which they were riding went out of control while attempting to pass a car on a curve and rolled over three times.

Roger Magoch, 18, of Dayton, Ohio, driver of the car, was admitted to Memorial Hospital for x-rays and observation. Others injured were James Newell, 22, of Delaware, Ohio, in fair condition in Sacred Heart Hospital; Robert White, 18, Athens, Ohio and Robert Hughes 17, Glendale, W. Va. The servicemen were enroute to Ohio University. Athens, Ohio. Miss Ludman graduated from Allegany High School last June.

Injured In Fall

Mrs. Ida Jones, 76, of 10 Hampton Place, slipped and fell Sunday evening near her home and suffered a broken hip. She was admitted to Memorial Hospital yesterday, and her condition last night was reported as "fair."

To Organize Course

A meeting will be held at Central YMCA at 8 o'clock tonight for the purpose of organizing a Dale Carnegie course class in Cumberland.

Board Schedules Hearing Today On Beer License

A hearing will be conducted by the Allegany County Board of Alcoholic Beverages License Commission starting at 10 o'clock this morning as to whether the beer license of Mrs. Georgie C. Winkler for her tavern at Barton should be suspended or revoked.

Mrs. Winkler and Mrs. Gertrude Custer, a part-time waitress at the tavern, were found guilty October 19 by an Allegany County Circuit Court jury on charges of selling beer at the tavern on Sunday, September 11. Liquor inspectors said a sale was made at 12:07 a. m. that day. Mrs. Winkler was fined \$5.

The liquor board also will consider the application of Jesse E. Mellott for a Class D beer license at the Little Ritz Restaurant, 328 Virginia Avenue.

Seeking School Office

Miss Dorothy Ludman, Parkside Boulevard, is one of the eight candidates for the office of freshman women's vice president at Ohio University. Athens, Ohio. Miss Ludman graduated from Allegany High School last June.

Beware Coughs Following Flu

After the flu is over and gone, the cough that follows may develop into chronic bronchitis if neglected. Creomulsion relieves promptly because it goes into the bronchial system to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial membranes. Get a large bottle of Creomulsion at your drug store. For children get milder, faster Creomulsion for Children in the pink and blue package. Adv. **CREOMULSION** relieves Coughs, Chest Colds, Acute Bronchitis

40 And 8 Collects \$67 For Heart Drive

Some \$67 was collected for the Allegany-Garrett Heart Association fund Friday night as members of Voiture 164, 40 and 8 Society, preceded the Veterans Day parade and solicited funds from spectators.

Paul C. Weisenmiller, Child Welfare chairman of the organization, in charge of the fund raising project, announced the purpose of the solicitation from a sound truck which preceded the revue.

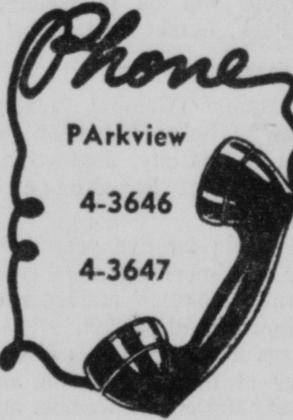

He pointed out that this year's contributions passed last year's contribution by some \$3. Weisenmiller expressed the gratitude of the organization for the public's generosity.

Figures That Lie Come From Reds

Is Russia's industrial growth proceeding faster than that of the United States? In many fields, it is. Is Russia catching up and may one day pass this country? It doesn't follow.

Percentages are misleading. If a firm made 1,000 automobiles one year and 2,000 the next, it could boast of a 100 per cent increase. Another firm which made 1 million cars the first year and increased its output by 50,000 the next would show an increase of only 5 per cent, but the gap between its production and that of its tiny competitor would widen the second year.

Similarly, Russia's economic figures are given in percentages of increase, which are often large. But percentages of what? Of figures so much smaller than those for the United States that a percentage comparison is misleading.

Pravda announces that Russia's national income is approximately 10 per cent above the 1954 figure. This figure, if it can be believed, would result in a 1955 income of 337 billion rubles. But how much is 337 billion rubles? No one can say exactly. Rubles are not traded on international exchange markets.

The official rate of four rubles to the dollar is obviously too high. A closer guess would be that the buying power of the ruble is 10 cents, or 10 rubles to the dollar.

Based on that figure, Russia's national income for 1955 may be approximately \$34 billion. The gross national product of the United States will exceed \$350 billion. With a population one-fifth smaller than that of Russia, this country's national product will be at least 10 times as great.

And if next year Russia's is 10 per cent higher than this year, while that of the U. S. is only 2 per cent higher, this country will actually be widening the gap.

These Days

By George E. Sokolsky

The 1955 Election

What the 1955 election, particularly in the eastern states, showed was that too many Republicans do not vote at all.

One trouble with the Republicans is that many of them feel that they have been purged from their party. The Taft Republicans feel that way; the McCarthy Republicans feel that way. If they have been purged, they do not belong. Some of them have stood by their party during the 20 long years of New Deal darkness, contributing time, money and physical effort to keep the party a going concern. Then the party was elected in 1952 and they were forgotten. Nobody likes to be forgotten. And so they either stay away from the polls and forget election day or they add to the large number of independents who belong to no party.

So far as the Taft Republicans are concerned, many of the better known go along because too many of them are habitual Republicans and feel that the late senator would have preferred them to stay inside the party no matter how unpalatable association with Deweyites and Democrats might be.

With the McCarthyites, it is different. And they count for large numbers in parts of New York, Connecticut, Massachusetts and New Jersey. They are, on the whole, not accustomed to being Republicans. They backed the Republican party in 1952 because they assumed that this party was anti-Communist. Three years have gone by and they are not satisfied with what has been done about communism in this country. They will not vote Republican again.

There is no advantage in arguing that they are all wrong. They will not listen to such an argument and their votes count for as much as anyone else's. They believe that Senator Joe McCarthy tried to save this country from Communists and that he was slapped down for it. In the Connecticut towns where the Democrats scored in mayoralty elections, the return of the McCarthyites to the Democratic party, whence many originally came, was a factor. The same is true in Queens County of New York City.

Getting out the vote is a professional task and a difficult one. To do it, as was proved in the Philadelphia mayoralty election, requires not so much goodness of purpose as effectiveness of organization. The Eisenhower administration, depending upon President Eisenhower's personal popularity and his principles, has in many important places neglected organization. In the eastern states, the Republican organizations have gone to pot and victory in 1956 may depend on the ability of the party to restore them.

The Taftites and the Republican McCarthyites were, as you might say, the idealists of the Republican party, fighting for their principles through bleak years without regard to patronage. They were the zealots who do the hard work which those who achieve distinction and place shun.

They are mostly out and it would appear from what we have seen in the 1955 election that no one has taken their places. Practical politics is nothing like the stuff that the League of Women Voters peddles at five cents a pamphlet. It is the business of associating the voter with a political party so that on election day the voter will come out to vote, and that he will vote the right way. This is an all-year-round job of doing little favors that a citizen wants done, most of them legitimate and none of them easy.

Old-timers take all this in their stride. Some of them even like the mechanics of party organization and ask only that they be permitted to play a part. They become violently partisan because that is the way the game has been played in this country since Aaron Burr organized Tammany Hall. When they see their own party catering to the "enemy," when they see old names in their party purged, while holdovers from the hated New Deal sit in high places, they quit.

Some of the Deweyite advisers of the Eisenhower administration refer to these people as "Republicans who have nowhere else to go," which can have this truth in it that they will go nowhere, not even to the polls. That they did in Philadelphia, Queens County in New York and Connecticut and a lesson could be learned there: each vote counts as much as any other.

(Copyright, 1955, King Features Syndicate, Inc.)

Plague In The Land Of Egypt

Ike As Nominee Of Both Parties Is Suggested

By David Lawrence

WASHINGTON — Based upon a widely held belief that the American people ought not to be deprived of the services of President Eisenhower in a world crisis, there have been all sorts of suggestions advanced as to how to arrange satisfactorily for presidential succession if, in the event of re-election, he may perhaps be unable to continue in office for a full term, or wishes to resign when the emergency is over.

The latest suggestion—which reflects what at one time was Mr. Eisenhower's own thinking—calls for his nomination for president on both the Democratic and the Republican tickets, with each party naming a different candidate for the vice presidency.

Thus if, for example, the Democratic ticket in 1956 were Eisenhower and Stevenson, and if the Republican ticket were Eisenhower and Nixon the two-party system would be preserved, because at the meeting of the electoral college, after the November election, the electors would cast their ballots for Eisenhower for president, and if the Democrats had won the national election, their own vice presidential nominee would be inaugurated.

Congress Unaffected

Likewise the two-party system would be maintained in the congressional elections, which would in no way be affected by the presence of the same presidential nominee at the top of the two major party tickets.

The naming of the same man on two tickets is not unusual in state and congressional elections. Senator Knowland, for instance, was elected in 1952 after having won the Democratic as well as the Republican nomination in the California primaries. Earl Warren, at present chief justice, was elected governor of California on both tickets in 1946.

Although it has not been disclosed before, it was Dwight Eisenhower, himself, who first broached

the idea of running as a non-partisan nominee himself for the presidency. It happened in 1946, when, as chief of staff of the U. S. Army, he was visiting General MacArthur, then in Tokyo as the supreme commander of the Allied Forces in the Far East.

After the day's inspection tasks were over and the two men relaxed in the evening, the talk turned in politics back home. In the press at that time, General Eisenhower's name was being prominently mentioned as a possible presidential nominee and there was speculation as to whether he would accept Democratic or a Republican nomination. General MacArthur asked Ike if he intended to be a presidential candidate. General Eisenhower replied that he would be if he could be assured of the nomination on both the Republican and the Democratic tickets. He said he was convinced it was feasible. General MacArthur argued that this wasn't practical under the two-party system, but the two men were talking at that time about a normal situation in American politics.

To name Mr. Eisenhower on both the Republican and Democratic tickets for a second term would violate no constitutional provision and would only deviate from a political habit. The latter would not in itself be a strong enough reason to overcome the public demand that the man who is the leader of world opinion at a critical time in world history

should be permitted to serve as long as he is able.

Politicians do not like to change their habitual procedures, but it shouldn't disturb them too much.

Certainly, judging from the recent statements of Paul Butler, Democratic national chairman, who wants the national conventions to pick the vice presidential nominee ahead of the president, and who wants also a constitutional amendment to clear up the status of the vice president when a president is unable to serve, there is a tendency now to examine anew the whole problem of presidential succession and consider new methods.

The idea of naming Ike on both tickets is a simple solution, for it doesn't involve constitutional complications of any kind and meets a unique problem in the annals of history.

Since the vice presidency moreover, would be held by the man whose political party had won the national election, he would have been tested on the fundamental issues that separate the parties and he would be chosen with the full knowledge of the voters that some time during the second term the President might resign in his favor.

Would Present Challenge

The plan would present a challenge to both parties. There are, for instance, many Democratic leaders who are convinced that Stevenson could outrun Nixon. It is a chance for the Democrats to obtain all the advantages the Republicans would have in placing the popular Eisenhower at the top of the ticket without the disadvantage to the Democrats of trying to run a presidential nominee against him.

Both sides claim everything, concede nothing and demand a recount. The cause of life, liberty and paper chases still hangs in midair like Mahomet's sword or yesterday's wash.

It's still a full year until the senior tournament and scars are soon painted over. We can understand the agitation for equality on the hay scales. But could Jefferson and Adams know there would ever be bingo in New Jersey?

Alaska and Hawaii have forgotten statehood. They'll settle for one good channel on television.

(Distributed by INS)

Depends on Conditions

Today the world crisis is such that precedents might readily be shattered. When, for example, in the middle of World War II, it seemed to the American people desirable to break with tradition and elect a president for a third and a fourth term, they did so. Shortly after the close of World War I, the New York World — a Democratic newspaper of nationwide influence and a staunch supporter of President Wilson—in an editorial written by the late Frank Cobb, who was a distinguished journalist of those days, proposed that Herbert Hoover, then food administrator and very popular, be nominated for the presidency in 1920 both by political parties.

To name Mr. Eisenhower on both the Republican and Democratic tickets for a second term would violate no constitutional provision and would only deviate from a political habit. The latter would not in itself be a strong enough reason to overcome the public demand that the man who is the leader of world opinion at a critical time in world history

should be permitted to serve as long as he is able.

Politicians do not like to change their habitual procedures, but it shouldn't disturb them too much.

Certainly, judging from the recent statements of Paul Butler, Democratic national chairman, who wants the national conventions to pick the vice presidential nominee ahead of the president, and who wants also a constitutional amendment to clear up the status of the vice president when a president is unable to serve, there is a tendency now to examine anew the whole problem of presidential succession and consider new methods.

The idea of naming Ike on both tickets is a simple solution, for it doesn't involve constitutional complications of any kind and meets a unique problem in the annals of history.

Despite Warnings, Gas Poisoning Still A Hazard

By Dr. Theodore R. Van Dellen

ceramic workers, and blast furnace operators. Many will recall the tragedy that occurred to a group of Italians 11 years ago. They had hitched a ride on a freight train that stalled in the middle of a tunnel; 509 died of carbon monoxide poisoning.

Carbon monoxide gas may be an occupational hazard to bakers, firemen, mechanics, miners, welders,

stories appear in newspapers all too frequently about individual fatalities along this line. A wife finds her husband dead in the garage; the doors are closed and the radio and motor are turned on. Mr. and Mrs. Jones went to their summer cabin for a weekend; they died in their sleep from fumes that escaped from the stove.

The problem must be understood to be appreciated. Carbon monoxide is produced whenever carbon material such as coal, wood, or gasoline is burned only partially. This incomplete combustion is due to faulty mechanism. The nose offers no clew that gas is escaping because carbon monoxide is odorless except in concentrations above 75 per cent, when it smells like garlic. Exhaust fumes can be detected because they represent a mixture of other gases.

TOMORROW: Atomic explosion fall-out.

BETTER COOK IT

M. R. writes: My sister is in the habit of eating raw ground beef, which in my opinion is a terrible thing to do. Don't you agree with me?

REPLY

It is safer to cook beef even though it usually can be eaten raw without harmful effects. The butcher has ground pork beforehand, there is always a chance that the grinder will contain bits of pork that might be infected with trichina.

Headache is one of the earliest symptoms of carbon monoxide poisoning. It is described as tightness across the forehead or throbbing in the temples. Confusion, dizziness, blurred vision, and thick speech follow; continued exposure

To the limit of space, questions pertaining to the prevention of disease will be answered. Personal replies will be made when return stamped envelope is enclosed. Telephone inquiries not accepted. Dr. Van Dellen will not make diagnosis or prescribe for individual diseases.

Mineral County Young GOP Club Elects Tonight

State President Will Be Guest

KEYSER — Cleo S. Jones, president of the Young Republican League of West Virginia, will be guest speaker at 6:30 p. m. today, at the organizational dinner-meeting of the Mineral County Young Republicans, in the second floor dining room of Rosemont Restaurant, Armstrong Street.

Prior to his election to the executive post of the State Young Republican club, Jones held a position as director of the league, and is presently a member of the state finance committee. He is an alumnus of West Virginia University, a practicing attorney, and member of the legal department of the city of Charleston.

The speaker has announced his subject, "What the Republican Party Must Do to Win in West Virginia."

Officers will also be elected by the Mineral County Young Republican Club at the dinner meeting. Nominations have been completed by the nominating committee. However, additional nominations may be made at this dinner meeting from the floor.

Persons intending to attend are advised to contact James A. Dixon, circuit court clerk in the Court House for purchasing tickets, or the Keyser Office Supply Shop, or may be purchased at the Rosemont Restaurant the night of the dinner. The menu will include W. Va. turkey.

Millar Attends Angus Show

Dorothy McBride Gets 4-H Honor

"Footprints" Theme Of 4-H Banquet At Fort Ashby

FORT ASHBY — "Footprints" was the theme of the Mineral County 4-H Achievement banquet a recent evening at Fort Ashby High School. Despite the unexpected heavy snowfall, there were 80 persons present for the banquet, an annual affair to recognize achievement made during the year by 4-H boys and girls.

Certificates of project completion and ribbons were presented by J. W. Wimer, county agricultural agent, to the club leaders who in turn presented them to individual members.

One hundred and thirty blue ribbons, 60 red ribbons and 16 white ribbons were awarded for project work. Foley awards were given to David Arnold and Patty Seamon for high count scores in food projects.

Frances Evans, Reese's Mill Club and William Roy, of the Upstreamers Club were selected as the outstanding county 4-H girl and boy for the year.

Barbara Johnson, Wiley Ford Senior Club, was recognized for having achieved the highest score in the county on her 4-H project, Cotton Togs.

Rev. Robert L. Bridgers, pastor of Calvary Evangelical United Brethren Church, Keyser, served as toastmaster for the occasion, and group singing was conducted by Mrs. Maurice Amtowter, Gate 4 Club leader.

The toastmaster introduced the parents and guests. They were: William Marker, principal of Fort Ashby Schools, a guest of 4-H leaders Association, and Mr. and Mrs. Calvin McCole, Keyser, were guests of Gate and Upstreamers Club.

Speakers were: Charles Logsdon, Pocohontas Club leader; Harold Wimer, Upstreamers Club member; Robert Harman, Upstreamers Club member, and County Agricultural Agent J. W. Wimer gave a summary of the three talks.

Charles Logsdon dedicated the banquet meeting to I. B. "Tubby" Boggs, State Boys 4-H Club Agent, who died on October 28. The speaker said the qualities that "Tubby" possessed made him a friend of everyone. The entire group stood in silent tribute to his memory.

The Eckhart Square Circle Auxilium will meet in the club room Wednesday at 7:30 p. m. with Rachel Muir, presiding. Plans for a Christmas Party will be made.

Hostesses will be Marjorie Pryor, Sandra Dillon, "Musette, a gypsy fortune teller," soprano; Dick Rennie, "Boris, Musette's father," bass.

Ann Perry Chappell is cast as "Vaninika, Musette's mother," alto; Irene Heiland, as "Madamisse Pompon, prima donna of the Grand Opera," mezzo soprano.

Chorus of ballet dancers, guests,

Hussars, gypsies and servants will provide much color and vivacity to the operetta presentation.

The annual turkey dinner sponsored by the John Wesley Methodist Church Frostburg, will be held Wednesday, November 16 from 5 to 8 p. m. in the fire hall. Tickets may be secured at the door.

The Eckhart Square Circle Auxilium will meet in the club room Wednesday at 7:30 p. m. with Rachel Muir, presiding. Plans for a Christmas Party will be made.

Hostesses will be Marjorie Pryor, Sandra Dillon, "Musette, a gypsy fortune teller," soprano; Dick Rennie, "Boris, Musette's father," bass.

The annual sauer kraut supper at Salem Evangelical and Reformed Church will be held Thursday, November 17 from 5 to 8 p. m.

The accident occurred when Winebrenner was driving a rented truck on Route 40 and struck Samuel Leo Glenn, who was walking along the highway with another youth.

Glenn was taken to Memorial Hospital with a head injury and brush burns.

Troopers John F. Browning and Robert Wolford, who investigated, testified the mishap occurred near Vicksburg. They said Glenn was walking west on Route 40 when the truck headed west on the highway struck him a glancing blow.

Witnesses in the case were Herald Harton, 16, who was walking with Glenn, Joseph D. Connell, Leo Michaels and Mildred Willson.

Winebrenner pleaded not guilty to the charges. He was represented by Attorney Earl Manges.

A play "Homework" will be included in the program. Characters will be portrayed by Donald Zarefoss, Sandra Willets, Harriet Babcock, Gary Sween, Edith Willets and Philip Van Newkirk.

Lynn Horner will be the announcer.

Court Of Honor

FORT ASHBY — Robert Zarefoss, scoutmaster, Troop 48 sponsored by St. John's Episcopal Church, announced that a Court of Honor will be held today at 7 p. m. in the parish house.

Zarefoss added that plans for 1956 will be made and a charter review will be held. Parents of the boys are urged to attend.

Meter Receipts

KEYSER — Parking meter receipts in Keyser for the past week, ending Saturday at 6 p. m., were \$259.49, according to City Clerk Carl F. Theis, Jr., who also said the previous week's receipts were \$200.29.

Boosters To Meet

LONACONING — The Boosters Club will meet at 7 p. m. November 16 at Valley High School. The meeting will be held early for the convenience of those adults who wish to attend the operetta at 8 p. m. Charles Daniels is president.

Legion Sponsors Religious Program

KEYSER — Washington - Smith Post, 152, American Legion, Department of West Virginia, presented a program, entitled, "The Back To God Movement," Sunday at 7:30 p. m. in the Jane's Methodist Church, Keyser. Active participants in the program were Robert Phillips and Roland Baker, color bearers; Alfred Mason, post commander and director of the program; Clifton E. Brooks, post adjutant, reading "Back To God," and James Coleman, who delivered a prayer in honor of deceased veterans and members.

Rev. J. T. Tisdale, pastor of the church delivered the memorial address.

Three WM Cars Derail Near Zihlman

Employees of the Western Maryland Railway were retracking two empty and one load car yesterday near Zihlman. The cars got away several days ago during switching operations and were stopped when they struck a derail device.

One of the cars was loaded with bauxite, used at the Big Savage Refineries in the manufacturing process. One of the empty cars turned over on its side but the other two remained upright. No one was hurt in the incident.

It should have been very apparent to South that the defenders would lead trumps as soon as they could safely do so, and surely it was desirable, from South's viewpoint, to have that trump lead come up to his hand rather than through it. Considering West's double, the presumption was that he had the spade ace, so South should have led the spade king, to insure as far as he could. That West would be led at Trick 2, surrendering his trump trick for the advantage of taking two trumps out of dummy—one then, and the other when West got in with a spade.

Incidentally, however, West could have insured the defeat of the hand by shifting to a trump at Trick 2, surrendering his trump trick for the advantage of taking two trumps out of dummy—one then, and the other when West got in with a spade.

It is not usually sound practice to start with a preemptive bid when holding strength in the other major suit, or, for that matter, with a generally good hand for either offense or defense, but South's four-heart call was nevertheless a reasonable action. As it happened, the opponents couldn't have gotten together too well in any suit, but from South's point of view, if he didn't start off with four hearts, he might be driven

even higher. Since North had passed, there wasn't a grave danger that South would miss a slam by preempting.

West laid down the club king and, when East encouraged with the eight, continued with the club ace. South ruffed and, logically enough, led a spade, intending to ruff at least two spades on the board. That, however, was the best he could do when East, winning the spade lead, shifted to trumps, and the consequence was a one-trick set.

Mineral County Young GOP Club Elects Tonight

State President Will Be Guest

KEYSER — Cleo S. Jones, president of the Young Republican League of West Virginia, will be guest speaker at 6:30 p. m. today, at the organizational dinner-meeting of the Mineral County Young Republicans, in the second floor dining room of Rosemont Restaurant, Armstrong Street.

Prior to his election to the executive post of the State Young Republican club, Jones held a position as director of the league, and is presently a member of the state finance committee. He is an alumnus of West Virginia University, a practicing attorney, and member of the legal department of the city of Charleston.

The speaker has announced his subject, "What the Republican Party Must Do to Win in West Virginia."

Officers will also be elected by the Mineral County Young Republican Club at the dinner meeting. Nominations have been completed by the nominating committee. However, additional nominations may be made at this dinner meeting from the floor.

Persons intending to attend are advised to contact James A. Dixon, circuit court clerk in the Court House for purchases of tickets, or the Keyser Office Supply Shop, or may be purchased at the Rosemont Restaurant the night of the dinner. The menu will include W. Va. turkey.

Millar Attends Angus Show

KEYSER — C. A. Millar, a director of the Atlantic Angus Association is attending the Eastern National Livestock Show being held in Timonium, Md., this week.

This is managed by Joseph M. Vial, known throughout the east as a top animal husbandman. Exhibited each year are three beef breeds and numerous breeds of hogs and sheep.

In connection with this exposition, the Atlantic Angus Association is having a sale of Aberdeen Angus cattle Monday night when 62 females from 31 purebred Angus herds will be offered at public auction.

"Miss Burgess of VF," grand champion at the Cumberland Fair last August will parade before the judge tomorrow and Wednesday.

WCS Honors Charter Members

MIDLAND — A Family Fellowship covered dish supper was held by the WCS of Grace Methodist Church.

All charter members were honored and presented with a chrysanthemum corsage. Honored members are Mesdames Mollie Holder, Robert McKinley, Annie Berry, Constance Eisentrou, Hannah Davis, Martha Blair, Elizabeth Carr, Hester Robertson, Clementine Jones, Jennie Blair, Mary Kroll, Molly Williams, and Agnes Martin.

The Junior Choir sang "He," Dickey Duckworth sang and played his trumpet to "The Bible Tells Me So." Victor Baker offered an accordian solo, Nancy Baker recited a poem, and Mrs. Hazel Alexander also recited a poem.

Martha Lou and Ruth Lee Wilson sang "Open Up Your Heart" accompanied by their mother, Mrs. William A. Wilson. A movie entitled "Hidden Heart" was presented.

Study Meeting Set

LONA CONING — The Child Study meeting will be held on Wednesday at Central Elementary School. Mrs. Mildred Love is chairman and a movie will be shown.

Dorothy McBride Gets 4-H Honor

FROSTBURG — Miss Dorothy McBride, Middletown, a daughter of Mrs. Cyrus McBride and a freshman at State Teachers College attended the 4-H achievement program held at Frederick High School last Wednesday evening. Miss McBride was notified that she was one of the winners of a trip to the national 4-H Club Congress in Chicago to be held November 27 until December 1.

Miss McBride, as progressive champion in canning, will make the trip with other Maryland winners.

While at Middletown High School, where she graduated last year, she was an outstanding student, ranking in the highest fifth of her class and was active in extracurricular activities, some of which were Glee Club, Future Teachers of America, newspaper and yearbook staff, orchestra and Future Homemakers.

Mining Classes Open Tonight

FROSTBURG — The night mining classes sponsored by the Maryland Bureau of Mines will begin this week at Kitzmiller and Frostburg under the direction of Thomas B. Powell, state mine inspector at-large.

Kitzmiller classes will begin tonight at 7 o'clock, and the local class at Frostburg State Teachers College, Friday at 7 p. m.

Subjects to be taught will be map reading, ventilation, mine gases, coursing of air, arcs and sparks, electricity, grounding, lack of oxygen, permissible explosives, permissible equipment, drainage and transportation.

The purpose of the school is to train the enrollees to become certified mine foremen, assistant foremen and personnel.

Seventh Graders To Offer Program

FROSTBURG — The seventh grade of Beall Elementary School will present a program Wednesday November 16 at 2 p. m. in the school auditorium. The program will be under the direction of Miss Catherine Goldsworthy and Miss Mary Hanson.

The program will include several musical selections including a saxophone solo by Donna Sacco, "Melody of Love"; an accordion solo by Donna Drummond, "Round Up Lullaby"; a vocal solo by Carlinda Storm, "Love and Marriage"; and a musical number "He" sung by Donna Sacco, Carlinda Storm and Edith Willets.

A play "Homework" will be included in the program. Characters will be portrayed by Donald Zarefoss, Sandra Willets, Harriett Babcock, Gary Sween, Edith Willets and Philip Van Newkirk. Lynn Horner will be the announcer.

Court Of Honor

FROSTBURG — Robert Zarefoss, scoutmaster, Troop 48 sponsored by St. John's Episcopal Church, announced that a Court of Honor will be held today at 7 p. m. in the parish house.

Zarefoss added that plans for 1956 will be made and a charter review will be held. Parents of the boys are urged to attend.

Meter Receipts

KEYSER — Parking meter receipts in Keyser for the past week, ending Saturday at 6 p. m., were \$259.49, according to City Clerk Carl F. Theis, Jr., who also said the previous week's receipts were \$200.29.

Boosters To Meet

LONA CONING — The Boosters Club will meet at 7 p. m. November 16 at Valley High School. The meeting will be held early for the convenience of those adults who wish to attend the operetta at 8 p. m. Charles Daniels is president.

Walter Alston Voted National League Manager Of Year

Dodger Pilot Gets 58 Of 99 Ballots Cast

Mayo Smith Of Phils Runner-Up In Voting By Baseball Writers

By JOE REICHLER

NEW YORK, Nov. 14 (P)—Walter Alston, first to bring a world championship to Brooklyn, was voted the National League's "manager-of-the-year" today by members of the Baseball Writers' Assn. of America.

The 44-year-old Ohioan, who succeeded where eleven other managers failed, received 58 of the 99 votes cast by major league writers in an annual poll conducted by the Associated Press to lead the rest of the field by a comfortable margin.

Smith Is Runner-Up

Mayo Smith, who in his freshman season piloted the Philadelphia Phils into fourth place, was runner-up with 30 votes. Leo Durocher, who resigned at the end of the season after his defending champion New York Giants wound up a poor third, was named on nine ballots to land third place. One vote each went to Birdie Tebbets of the fifth place Cincinnati Reds and Fred Haney of the last place Pittsburgh Pirates. Haney was replaced by Bobby Bragan at the end of the season.

Somewhat of a "goat" in 1953 when the Dodgers, in their first year under his direction, finished a disappointing second, Alston is now one of Brooklyn's "heroes" as a result of the Dodgers' easy pennant victory and World Series triumph over their perennial tormentors, the New York Yankees.

Baseball writers who didn't take kindly to him at first, agree that Alston was a better manager last season than in his freshman year when he was uncertain, unimaginative and too conservative. In 1953 he showed greater confidence, made bolder moves and acted more independently.

When the season started, instead of waiting for his power hitters Alston had his Dodgers running. They were stealing bases and carrying brashness further by going from first to third on infield outs. Normally conservative, Alston was using pinch hitters for pinch hitters, switching his outfielders against certain hitters and calling for pinchouts to catch enemy runners at second.

Won 22 Of First 24

Many observers believed that Alston's managing had much to do with the team's great playing that paved the way for the Dodgers' brilliant getaway that produced 22 victories in the first 24 games.

There is one dissenter, however. His name is Walter Alston. The big, easy-going, pleasant man, a former school teacher, doesn't think he is a better manager now.

"I'm the same manager," he says. "I didn't run the club any differently this year than last year. Injuries hurt us in 1954, breaks helped us in 1955."

Although he is sitting on top of the world, Alston remains quiet and unassuming and given to talking himself down.

"I didn't do very much," he said, speaking of the team's performance. "I didn't pitch a ball and I didn't get a base hit. The players did all that. All of them. It was a 25-man job."

Clark's Best At KHS

9,710 Paid Is Record

By C. V. BURNS

WHEN Keyser High School concluded its 1955 football schedule Saturday with a 9-1 record it marked the highest winning percentage hung up by the Golden Tornado since Frederick "Tack" Clark took over the reins at the Mineral county school in 1943.

Clark has been coaching for 17 years, and this year was his 13th at the helm in Keyser. In his fourth and final year at Moorefield High in 1942 his Yellow Jackets turned in a 7-0 record. This year's Keyser team posted a .900 average and the only loss came at the hands of Allegany High's unbeaten team. That 18-14 contest, incidentally, is the closest shave the Campers have received this season.

The records of Clark's teams at Keyser:

Year	W.	L.	T.
1955	9	1	0
1954	7	3	0
1953	7	3	0
1952	6	3	1
1951	4	5	1
1950	2	9	0
1949	9	2	0
1948	4	4	0
1947	6	4	1
1946	9	2	0
1945	7	3	0
1944	6	4	0
1943	7	2	1
Total	85	45	5

Kennedy's time was 24:30.3, just two-tenths off Charley Capozzoli's 1952 course record. The course, however, varies slightly from year to year so all the records are unofficial.

Kennedy's margin was a cool 415 yards over Ron Delany of Villa Nova, the winner of last year's freshman race. Delany's clocking for the 5-mile grind over the Van Cortlandt Park hills and dales was 24:53.

In third place was the first Pitt finisher, Arnie Sowell, who engaged in a nip-and-tuck battle for second place with Delany until the last quarter mile when the Villa Nova sophomore pulled away.

Just as he feared, Coach Carl Schlademan of Michigan State had four good men, but his fifth man, who could finish no better than 68th, killed the Spartans' chances of winning the title. They had three men in the first seven and finished with 114 points.

Pitt, on the other hand, spread its talent with Sowell finishing third, Thornton Smith 14th, Terry Jones 18th, Jim Moore 26th and Jack Schubert 38th.

Third in the team race was St. Joseph's of Philadelphia with 123 points. New York University finished fourth with 132, and Cornell, the Ivy League champion, fifth with 147.

1955 Attendance In Minor Leagues Is Off 542,994

COLUMBUS, Ohio, Nov. 14 (P)—Minor league baseball attracted 19,042,825 paying customers last season, a drop of 542,994 from the previous year.

But George M. Trautman, president of the National Assn. of Professional baseball leagues, viewed the drop with optimism.

"That's the smallest drop in five years, only 2 per cent," the head of the minors said. "Maybe we have turned the corner and will be on our way up soon."

"We are especially happy that we lost no leagues in mid-season, as we did a year ago. Minor league baseball is healthy, and will get more robust."

The minors have dwindled in both attendance and customers since 1950. That year there were 58 leagues in operation, and they played to 35,616,702 fans. The number of leagues was down to 33 in 1955, a loss of 25 circuits and 16,573,877 fans in five years.

The paid attendance totals are for regular season, all-star, playoff and interleague games. The Pacific Coast led the minors with total attendance last year of 1,813,416, followed by the American Association with 1,705,349, and the International with 1,675,816.

Federal Tax Collector Sells Richmond Club For \$20,000

Syndicate Obtains Control; Government Has Sought \$79,218

By ED YOUNG

RICHMOND, Va., Nov. 14 (P)—A syndicate of six wealthy businessmen today bought Richmond's International League baseball club, lock, stock and barrel from the federal tax collector for a mere \$20,000.

ERNE NIGHTENGALE, the Garrett (Pa.) coal broker returned recently from a six-weeks' tour of England, one of many such trips he has made to his homeland.

Nightengale will be remembered as the manager of Charley Brant, the amateur middleweight knockout artist from Somerset, Pa., who belted out several simon pure in his time during the 1930's.

Brant would come tearing out of his corner at the sound of the bell, telegraph his left to the breadbasket and when it landed the referee would start counting.

Charley was a terror as an amateur but he wasn't able to lay many among the sweet peas after he turned pro.

During his latest visit to England, Ernie reports that the best paid worker there is the coal miner. He receives about \$42 a week in American money. Coal, however, is still rationed.

Ernie says few Britons are lucky enough to own an automobile and there are about 500 bicycles for every motor car.

Nightengale reports he was able to get a shave for only nine pence—11 cents in American money—and a haircut cost one shilling and six pence—22 cents. "But who wants to go all the way to England for a shave and haircut?" asks Vic Ricker.

From his observations, Ernie would not want to live in England. He prefers the United States much more.

Pittsburgh Steelers Land Tulsa Star

PITTSBURGH, Nov. 14 (P)—Marvin Matuszak, 6-2, 230-pound linebacker who starred at Tulsa University, joined the National Football League's Pittsburgh Steelers today.

To make room for him on the roster, waivers were asked on center Fred Broussard.

Matuszak, a resident of South Bend, Ind., is on terminal leave and scheduled for discharge soon from the Army. He will be able to play out the season before reporting back to Ft. Sill, Okla., for his discharge.

The syndicate had pledged itself to keep International League in Richmond, which gained its triple-A franchise in 1954. The team finished seventh in 1954 and eighth in 1955.

The government said the \$79,

Podres Given Service Exams

Brooklyn Pitcher's Status Is Uncertain

ALBANY, N. Y., Nov. 14 (P)—

Johnny Podres, the World Series pitching hero, went through two physical examinations today but still doesn't know whether he'll be pitching for the Brooklyn Dodgers again next season or Uncle Sam.

The young left hander first was examined for two hours by an Army doctor in Albany, then was sent to nearby Troy where an orthopedic specialist examined a back injury that kept him out of military service three years ago.

During his latest visit to England, Harry C. Seibold, the former club owner, could have prevented the auction today by paying the tax claim at any time before the gavel fell at 2 p.m. EST. But Seibold didn't even show up for the sale.

The syndicate of six put in the only bid although Internal Revenue Service auctioneer Jack Overby vainly tried for 15 minutes to coax other bids from the knot of several hundred persons who gathered near home plate in Parker Field to witness the sale.

Ernie says few Britons are lucky enough to own an automobile and there are about 500 bicycles for every motor car.

29 Nations To Vie

When Cleveland hosts the Pan-American games in 1959 nearly 4,500 athletes from 29 nations of the Western hemisphere will be on hand.

Team Averages 230

How's this for bowling! The St. Louis Budweisers recently averaged 230 per man per game for a nine-game exhibition bowling match in Peoria, Ill.

The syndicate had pledged itself to keep International League in Richmond, which gained its triple-A franchise in 1954. The team finished seventh in 1954 and eighth in 1955.

The government said the \$79,

218.68 tax lien against Seibold represented unpaid admission and withholding taxes.

Clark's Best At KHS

9,710 Paid Is Record

By C. V.

WHEN Keyser High School concluded its 1955 football schedule Saturday with a 9-1 record it marked the highest winning percentage hung up by the Golden Tornado since Frederick "Tack" Clark took over the reins at the Mineral county school in 1943.

Clark has been coaching for 17 years, and this year was his 13th at the helm in Keyser. In his fourth and final year at Moerfield High in 1942 his Yell-low Jackets turned in a 7-0 record. This year's Keyser team posted a .900 average and the only loss came at the hands of Allegany High's unbeaten team. That 18-14 contest, incidentally, is the closest shave the Campers have received this season.

The records of Clark's teams at

Year	W.	L.	T.
1942	7	3	0
1943	7	2	1
1944	6	3	1
1945	4	5	1
1946	2	9	1
1947	9	2	0
1948	6	4	1
1949	9	2	0
1950	7	4	0
1951	7	4	0
1952	7	4	0
1953	7	4	0
1954	7	4	0
1955	8	4	1
Total	85	45	5

THE Thanksgiving Day football game featuring Allegany and Fort Hill looms as much of a "natural" as the 1948 clash between the local schools when a record crowd of 9,710 paid to see two undefeated teams tangle and battle to a 6-6 deadlock.

This year Allegany enters the classic with a 7-0 record. Fort Hill is 8-1 and has won its last seven games.

Attendance has taken a nose dive here in recent years. In 1953 a total of 7,498 persons paid \$8,344 and the schools received \$3,303.90 each.

Last year attendance skidded to 5,889 with gate receipts of \$6,047.30. Each school's share was \$2,366.

This year's turnout may come closer to the record gate of seven years ago.

CLEAR SPRING High School's soccer team, champions of Washington county, has won 35 consecutive games in four years. No tie games blemish this record.

MAGISTRATE Wilbur F. Sheffield, Jr., of Frederick, Md., an avid huntsman himself, called charges brought against three young Baltimore archers "too technical" and dismissed their case with a verdict of not guilty the other day.

A game warden charged the hunters with having their bows strung after sunset, which under Maryland game laws is illegal.

The group had been hunting deep in the woods and were unable to return to their cars before sunset. None of the party had any arrows mounted for firing.

Magistrate Sheffield said the charge was super-technical and that a strong bow without an arrow inserted could never damage game. Since no slain deer had been uncovered he had no substantial grounds from which to base a conviction.

RESIGNATION of Clay Hopper as manager of the Portland Beavers of the Pacific Coast Baseball League the other day brought back memories of the days when Hopper managed Scottsdale's last team in the Middle Atlantic League in 1931.

That's the year the Cumberland Colts whipped Charleson (W. Va.) for the championship and there were 12 teams in the circuit. "Chip" Helmick, Vito Tamulis, Marvin "Lefty" Duke and Jimmy Denison were the Cumberland hurlers.

Youths Sought For Thefts

home together Friday night for work at the Amcelle plant of the Celanese, Cavey and Spencer were in Cavey's apartment at the time.

When the women returned from work early Saturday morning, the Glaze apartment had been broken into, and Cavey and Spencer were gone.

Stolen was a loaded .25 caliber automatic pistol, \$63 in dimes, \$8 in pennies (\$4 of the white-head type), several dollars in old Liberty head coins, a flashlight and several pieces of jewelry.

Detective Smith said his investigation revealed that the boys, along with a young girl, were given a "lift" from South End to Baltimore Street. After letting the trio out of the car, the driver noticed several dollars in dimes on the back seat.

Later the trio had breakfast at a local restaurant, and paid their \$1.45 bill with 14 dimes and a nickel.

Detective Smith said it is believed the boys later stole an automobile from Buford L. Saville, 575 Arnett Terrace, and drove to Baltimore. The car was recovered Sunday in Baltimore.

Charles Wickard, son of Mr. and Mrs. H. C. Wickard, 788 Fayette Street, has been named publicity chairman for the senior class at the University of Maryland.

Youths Sought For Thefts

home together Friday night for work at the Amcille plant of the Celanese. Cavey and Spencer were in Cavey's apartment at the time.

When the women returned from work early Saturday morning, the Glaze apartment had been broken into, and Cavey and Spencer were gone.

Stolen was a loaded .25 caliber automatic pistol, \$63 in dimes, \$8 in pennies (\$4 of the white-head type), several dollars in old Liberty head coins, a flashlight and several pieces of jewelry.

Detective Smith said his investigation revealed that the boys, along with a young girl, were given a "lift" from South End to Baltimore Street. After letting the trio out of the car, the driver noticed several dollars in dimes on the back seat.

Detective Smith said the Glaze woman and Cavey's mother, who resides on the second floor at the Roberts Street address, left the

Later the trio had breakfast at a local restaurant, and paid their \$1.45 bill with 14 dimes and a nickel.

Detective Smith said it is believed the boys later stole an automobile from Buford L. Saville, 575 Arnett Terrace, and drove to Baltimore. The car was recovered Sunday in Baltimore.

Local Student Named

Charles Wickard, son of Mr. and Mrs. H. C. Wickard, 788 Fayette Street, has been named publicity chairman for the senior class at the University of Maryland.

WANTED - MEN TO TRAIN FOR TELEVISION FOR JOBS PAYING \$3,600.00 TO \$7,500.00 A YEAR

Auto Accident Injuries Fatal To Area Girl

Mary M. Cuthbertson, 9, Dies In Hospital

A nine-year-old Gilmore girl died late yesterday afternoon in Miners Hospital, Frostburg, as a result of injuries sustained when she was struck by an automobile Saturday evening near her home along State Route 36.

The victim, Mary Melva Cuthbertson, daughter of Melvin and Bernadine (Kenney) Cuthbertson, was unconscious when admitted to the hospital about 6:30 p. m. Saturday and did not regain consciousness.

She died yesterday about 5:10 p. m. Her body was brought to Memorial Hospital here where an autopsy was performed. Dr. H. V. Deming, deputy county medical examiner, last night said death was due to a brain injury.

Driver To Be Questioned

The driver of the automobile, Robert Scott Alexander, 33, of Midland, will be taken to the State's Attorney's office here today for questioning, according to Maryland State Police.

Authorities said the mishap occurred about 5:50 p. m. Saturday as the child was returning home from the store. She reportedly crossed the highway and was hit by the car as Alexander, traveling north, was attempting to negotiate a right hand curve.

The child was struck by the left front fender, authorities said, and suffered abrasions and confusions about her face. She was rushed to the hospital in an ambulance.

Investigating the accident is Tfc. Harry Bosley, of the Maryland State Police at LaVale Barracks.

Fourth Grade Pupil

A native of Frostburg, the girl was born July 27, 1946.

She was a fourth grade pupil at Midland Elementary School, where she was active in school plays. The little girl also attended the Dixon Dancing School.

She was a member of St. Joseph's Catholic Church, Midland.

Surviving, besides her parents, are a sister, Sally Ann, and three brothers, David, William and John Cuthbertson, all at home.

Also surviving is her paternal grandmother, Mrs. Nellie Cuthbertson Staup of Lonaconing.

Safety Proctor Plan Adopted By Carpenters

A system of safety proctors has been set up by Carpenters Local 1024 (AFL), to keep accidents down during the construction of the Pittsburgh Plate Glass Company plant at North Branch.

Their work will be directed by Earl Slider, Mexico Farms, who will represent the local on the safety committee being named by the Cumberland Building and Construction Trades Council for the big construction job.

Slider will direct the work of 10 proctors—one for each crew—who will be charged with the safety of each man in the crew for a two-week period.

Then the job will be passed on to another member of the crew so that each man will become safety conscious.

At present, the local has about 115 men working on the \$34,000,000 plant.

Union officials said Slider, who is treasurer of Local 1024, received excellent safety training during the past few years while working on the construction of the duPont plant at Martinsburg.

The duPont firm, the union said, has an outstanding safety record for construction.

Births

Memorial Hospital

Mr. and Mrs. Harold M. Shoemaker, RD 3, Bedford, Pa., a son yesterday.

Mr. and Mrs. Franklin H. Miller, 300 Magruder Street, a daughter yesterday.

Mr. and Mrs. Louis E. Hartung, 124 Polk Street, a son yesterday.

Mr. and Mrs. Henry Sauer, 1303 Holland Street, a son Sunday.

Mr. and Mrs. Thomas W. Blauch, RD 1, Ridgeley, a daughter Sunday.

Mr. and Mrs. Mervin B. Copp, 137 Polk Street, a son Sunday.

Sacred Heart Hospital

Mr. and Mrs. Earl Smith, 211 North Lee Street, a daughter yesterday.

Six County Army Reservists Promoted

Three Frostburg, two Lonaconing and one Cumberland Army Reservist were recently promoted. Maryland Military District headquarters in Baltimore announced this week. The six Western Maryland men are all enlisted members of the Reserve.

The three Frostburg men, all privates, were advanced to privates first class. They are Carl D. Skidmore, a member of the 729th Army Postal Unit, and two members of the 941st Ordnance Detachment, James C. Catherman and Donald D. Pryor.

The Lonaconing men, both members of the 810th Signal Battalion, are Corporal Raymond C. Barclay, who was promoted from his Pfc. grade, and Private Edward T. Winters, who advanced to Pfc.

Robert L. Bantz, of Cumberland, a member of the 941st Ordnance Detachment, was promoted from private to Pfc.

Health, Welfare Plan Slated For Building Trades

Benefits Will Be Effective Next May

Representatives of the AFL Building Trades unions and Western Maryland contractors met here yesterday to lay the groundwork for a jointly-operated health and welfare fund which will become effective here next May.

The fund, the first of its kind to be formed for the construction industry in this area, will be known as the Construction Industry Insurance Fund of Western Maryland.

The plan will be financed by contractor's payments of 7½ cents per hour per employee, beginning May 1, 1956, in accordance with a two-year contract negotiated this year by the Building and Construction Trades Council and general contractors of this area.

Sanner Is Chairman

Trustees will be Charles E. Bramble, president of Local 453, Teamsters Union, and George E. Clark, business agent of Local 568, Iron Workers Union, for the Building Trades Council. C. M. Sanner, secretary of the George F. Hazelwood Company, and Carl O. Belt, of the Vandegrift Construction Company, are industry trustees and W. M. George, of the George Construction Company, was named alternate trustee for the contractors.

The trustees met yesterday for a briefing meeting in the AFL Labor Temple, which will serve as a temporary headquarters for the fund, pending selection of a permanent office, where the next meeting will be held the first week of January.

Sanner was elected chairman of the fund and Bramble, secretary-treasurer.

Adviser Is Named

The trustees authorized the Raymond Hage Company, an employee insurance service, of Huntington, W. Va., to provide insurance advisory service during the formation and administration of the fund.

The firm will make a study and present a report on the method to be used in providing group insurance coverage for all workers in the construction industry here.

The firm will also prepare a formal trust agreement, defining the authority of the trustees.

To be included in the insurance coverage are all workers hired directly by the contractors.

Similar health and welfare funds are provided by the construction industry in parts of West Virginia and Pennsylvania.

The welfare plan was provided in the first two-year contract ever negotiated in the construction industry here. The past became effective May 1, 1955, and is effective until April 30, 1957. The contract provides either party may open the pact for wage discussions if the cost of living raises more than three per cent.

Audiences To Take Part In Movie Poll

The Republican State Central Committee of Allegany County will meet tonight at 7:30 o'clock in the offices of the State's Attorney, James S. Getty, chairman, said yesterday.

Representatives of the Republican Women's Club of Cumberland and the Frostburg Republican Women's Club have been invited to attend this special session, Getty said.

A discussion is planned for the Allegany County "Thank You, Mr. President" campaign which opens today under the sponsorship of the women's groups.

K Of C Is Planning Degree Work Tonight

First degree work for a number of candidates will be exemplified this evening following a regular meeting of Cumberland Council 586, Knights of Columbus, beginning at 8:30 o'clock.

A luncheon will be served to the candidates and members after the meeting and degree work is concluded.

Mr. and Mrs. Louis E. Hartung, 124 Polk Street, a son yesterday.

Mr. and Mrs. Henry Sauer, 1303 Holland Street, a son Sunday.

Mr. and Mrs. Thomas W. Blauch, RD 1, Ridgeley, a daughter Sunday.

Mr. and Mrs. Mervin B. Copp, 137 Polk Street, a son Sunday.

Sacred Heart Hospital

Mr. and Mrs. Earl Smith, 211 North Lee Street, a daughter yesterday.

Six County Army Reservists Promoted

Three Frostburg, two Lonaconing and one Cumberland Army Reservist were recently promoted. Maryland Military District headquarters in Baltimore announced this week. The six Western Maryland men are all enlisted members of the Reserve.

The three Frostburg men, all privates, were advanced to privates first class. They are Carl D. Skidmore, a member of the 729th Army Postal Unit, and two members of the 941st Ordnance Detachment, James C. Catherman and Donald D. Pryor.

The Lonaconing men, both members of the 810th Signal Battalion, are Corporal Raymond C. Barclay, who was promoted from his Pfc. grade, and Private Edward T. Winters, who advanced to Pfc.

Robert L. Bantz, of Cumberland, a member of the 941st Ordnance Detachment, was promoted from private to Pfc.

Scouts Study Vocations

Begin Civil Defense Course

These volunteer firemen in the Frostburg area last night began a six-week 12-hour Civil Defense course in explosive ordnance reconnaissance at the Frostburg Fire Hall. Kneeling, left to right, are Charles Starkey, Paul Haberlein and Henry E. Miller. Standing, same order, are Captain O. O. Wallace, John Kerr, Robert

ICC To Push Brake Device For Trucks

WASHINGTON, Nov. 14 (AP)—The Interstate Commerce Commission proposed today to require an additional safety device in the braking systems of interstate trucks to avoid highway "runaway" accidents in the future.

The plan would involve a multi-million-dollar conversion job for the existing fleet of "combination" trucks which would be affected.

The ICC would not estimate how many of the 10 million trucks now on the road would be brought into the program.

The projected new safety gadget is designed to limit brake failures to a single axle, leaving the driver in control of the air or hydraulic brakes on all other axles. The device would be required only on vehicles operating in combination—such as tractor-trailer, tractor-semitrailer and truck-tows—and would not extend to single-unit tractors.

The commission estimated the new device would add about \$50 to the cost of new vehicles and could be installed on trucks now in use at somewhere between \$50 and \$100 per vehicle.

According to the plan, all new combination vehicles produced after Sept. 30, 1956, would have to include the new safeguard. Trucks already operating would be required to have it installed by March 31, 1957.

Possum Hitches Ride In Car

If two Western Maryland Railroaders haven't found it yet, a second look might disclose the possum that was riding with them yesterday.

Herbert Seaman, Bowing Green, a freight conductor, and Dale Currence, Cresapton, brakeman, drove up to the yard office in Ridgely yesterday afternoon to get their train bills.

Audience elections, in which the Strand will participate, is a part of the program to find new movie stars.

Legion Meets Today

Members of Knobley Mountain Post 136, American Legion, will meet at the post home in Ridgeley this evening at 8 o'clock. Roland Showers, commander, urges all members to be present as important business will be discussed. Refreshments will be served.

AFL Meeting Tonight

The Building and Construction Trades Council will meet today at 7:30 p. m. in the AFL Labor Temple.

UPA Seeks 25 Cent Increase

WASHINGTON, Nov. 14 (AP)—Representatives of the West Virginia Pulp & Paper Co., and CIO's United Paper Workers continued today efforts to agree upon a working contract for the company's 3,500 employees.

The negotiations resumed after a two-week recess. The current contract for workers at company plants at Williamsport, Pa., Covington, Va., and Luke, Md., expires Nov. 17, but will remain in effect until a new agreement is reached.

Thomas McCrary, representing the company, said there were no major points of disagreement as the negotiators went back to work.

They are considering proposals by the union that wages be raised 25 cents an hour, and that insurance, pension and other benefit provisions of the contract be broadened.

Ski Club To Hold Meeting Delayed By Big Snow

Barring another sudden big snow like that of last Thursday, the Western Maryland Ski Club plans to hold its overdue November meeting Thursday night at the Guntersville Ski Lodge seven miles west of Frostburg.

The club made national news last week when it had to call off its first meeting of the season because of snow. More than seven inches of snow had practically closed the highway.

The postponed meeting will be held at 8 p. m. and will include the election of officers, reports on improvements to area ski slopes, and discussion of means of getting weather reports to the members.

Anyone interested in skiing is invited to attend.

Bedford Valley Man Has Top Butterfat Producer

Oleta, an artificially-bred grade butterfat from 1,680 pounds of Holstein, owned by Lloyd Nave, of

Bedford Valley, was top butterfat producer in October in the Potomac Valley Dairy Herd Improvement Association.

Wheeler W. Arnold and Harry E. Miller, supervisors, said that the cow produced some 88 pounds of butterfat from a total of 2,250 pounds of milk.

Mason also had three other cows in the top ten producers.

Stanley, Mrs. Ida, 86, of Chambersburg, Pa., former Frostburg resident.

Swanson, Richard S., 5, of Baltimore.

Auto Accident Injuries Fatal To Area Girl

Mary M. Cuthbertson, 9, Dies In Hospital

A nine-year-old Gilmore girl died late yesterday afternoon in Miners Hospital, Frostburg, as a result of injuries sustained when she was struck by an automobile Saturday evening near her home along State Route 36.

The victim, Mary Melya Cuthbertson, daughter of Melvin and Bernadine (Kenney) Cuthbertson, was unconscious when admitted to the hospital about 6:30 p.m. Saturday and did not regain consciousness.

She died yesterday about 5:10 p.m. Her body was brought to Memorial Hospital here where an autopsy was performed. Dr. H. V. Deming, deputy county medical examiner, last night said death was due to a brain injury.

Driver To Be Questioned

The driver of the automobile, Robert Scott Alexander, 33, of Midland, will be taken to the State's Attorney's office here today for questioning, according to Maryland State Police.

Authorities said the mishap occurred about 5:50 p.m. Saturday as the child was returning home from the store. She reportedly crossed the highway and was hit by the car as Alexander, traveling north, was attempting to negotiate a right hand curve.

The child was struck by the left front fender, authorities said, and suffered abrasions and contusions about her face. She was rushed to the hospital in an ambulance.

Investigating the accident is Tfc. Harry Bosley, of the Maryland State Police at LaVale Barracks.

Fourth Grade Pupil

A native of Frostburg, the girl was born July 27, 1946.

She was a fourth grade pupil at Midland Elementary School, where she was active in school plays. The little girl also attended the Dixon Dancing School.

She was a member of St. Joseph's Catholic Church, Midland.

Surviving, besides her parents, are a sister, Sally Ann, and three brothers, David, William and John Cuthbertson, all at home.

Also surviving is her paternal grandmother, Mrs. Nellie Cuthbertson Stauf of Lonaconing.

Safety Proctor Plan Adopted By Carpenters

A system of safety proctors has been set up by Carpenters Local 1024 (AFL), to keep accidents down during the construction of the Pittsburgh Plate Glass Company plant at North Branch.

Their work will be directed by Earl Slider, Mexico Farms, who will represent the local on the safety committee being named by the Cumberland Building and Construction Trades Council for the big construction job.

Slider will direct the work of 10 proctors—one for each crew—who will be charged with the safety of each man in the crew for a two-week period.

Then the job will be passed on to another member of the crew so that each man will become safety conscious.

At present, the local has about 115 men working on the \$34,000,000 plant.

Union officials said Slider, who is treasurer of Local 1024, received excellent safety training during the past few years while working on the construction of the duPont plant at Martinsburg.

The duPont firm, the union said, has an outstanding safety record for construction.

Births

Memorial Hospital

Mr. and Mrs. Harold M. Shoemaker, RD 3, Bedford, Pa., a son yesterday.

Mr. and Mrs. Franklin H. Miller, 300 Magruder Street, a daughter yesterday.

Robert L. Baetz, of Cumberland, a member of the 941st Ordnance Detachment, was promoted from private to Pfc.

Health, Welfare Plan Slated For Building Trades

Benefits Will Be Effective Next May

Representatives of the AFL Building Trades unions and Western Maryland contractors met here yesterday to lay the groundwork for a jointly-operated health and welfare fund which will become effective here next May.

The fund, the first of its kind to be formed for the construction industry in this area, will be known as the Construction Industry Insurance Fund of Western Maryland.

The plan will be financed by contractor's payments of 7½ cents per hour per employee, beginning May 1, 1956, in accordance with a two-year contract negotiated this year by the Building and Construction Trades Council and general contractors of this area.

Sanner Is Chairman

Trustees will be Charles E. Bramble, president of Local 453, Teamsters Union, and George E. Clark, business agent of Local 568, Iron Workers Union, for the Building Trades Council. C. M. Sanner, secretary of the George F. Hazelwood Company, and Carl O. Belt, of the Vandegrift Construction Company are industry trustees and W. M. George, of the George Construction Company, was named alternate trustee for the contractors.

The issue, which will be called the Water Improvement Bonds of 1955, will be used to finance the North Branch water line and for further improvements to the Lake treatment plant.

Arthur B. Gibson, city auditor, said over 20 investment firms have requested information on the issue.

He added he believes the city will get a fair price for the bonds in spite of the fact there is a little lull in the market for municipal bonds.

The bonds will become general obligations of the City of Cumberland, with principal and interest paid first from water revenues and then by general taxation, if needed, while water rates are being boosted to adequate levels.

Legality of the issue has been certified by the Miles, Walsh and Stockbridge, of Baltimore and Cumberland, following two Circuit Court opinions, later affirmed by the Court of Appeals.

The Court of Appeals this summer upheld the city's right to issue the bonds without a referendum, under ch. ter amendments authorized in the new home rule law.

Early this month, the top Maryland court elaborated on the reasons for upholding the decision.

Under statutory home rule, the city would have had to hold an expensive referendum, or wait until the General Assembly met.

The legality of the move had to be tested in the courts, since investment firms would have been reluctant to purchase the securities until all legal questions were settled.

The welfare plan was provided in the first two-year contract ever negotiated in the construction industry here. The past became effective May 1, 1955, and is effective until April 30, 1957. The contract provides either party may open the pact for wage discussions if the cost of living raises more than three per cent.

The commission estimated the new device would add about \$50 to the cost of new vehicles and could be installed on trucks now in use at somewhere between \$50 and \$100 per vehicle.

According to the plan, all new combination vehicles produced after Sept. 30, 1956, would have to include the new safeguard. Trucks already operating would be required to have it installed by March 31, 1957.
